PREAMBLE

This agreement is by and between the Board of Trustees of Community College District No. 4, hereinafter called the “Employer” and the Skagit Valley College Federation of Teachers, affiliated with the AFT Washington, Local 4985, and American Federation of Teachers, hereinafter called the “Federation”. The term “Employer” used hereinafter shall mean the Board of Trustees or its lawfully delegated representative(s).

Article 1 RECOGNITION

1.1 General Recognition.

The Employer hereby recognizes the Federation as the exclusive negotiating representative for all Community College District No. 4 academic employees as defined in Chapter 28B.52 RCW. Within this Agreement, such individuals shall be referred to as “faculty”. Excluded are all other employees.

1.2 Administrative Duties.

Excluding cases of bona fide promotion, no administrative duties shall be added to any position within the bargaining unit which has the effect of removing such position from the bargaining unit without negotiation and agreement with the Federation.

Article 2 MEMBERSHIP, DUES, AND CONTRIBUTIONS

2.1 Membership.

The Federation hereby agrees that neither the Federation nor any of its members shall intimidate or in any way coerce employees to become members of the Federation. The Employer hereby agrees that no member of the Board of Trustees or administration shall intimidate or in any way attempt to discourage any faculty from becoming a member of the Federation.

2.2 Notification to Employees.

The employer will inform new, transferred, promoted, or demoted employees in writing prior to appointment into positions included in the bargaining unit(s) of the Federation’s exclusive representation status. Upon appointment to a bargaining unit position, the Employer will furnish the employees with membership materials provided by the Federation. The Employer will inform employees in writing if they are subsequently appointed to a position that is not in a bargaining unit.

2.3 Authorization of Union Deduction.

Within thirty (30) calendar days from when the Federation provides written notice of employee’s authorization for deduction in accordance with the terms and conditions of

their signed membership card, the Employer will deduct from the employee's salary an amount equal to the dues required to be a member of the Federation. The Employer will provide payments for the deductions to the authorized Federation representative within five (5) working days of issuance of payroll checks.

2.4 Revocation of Membership.

An employee may revoke their membership and authorize cancellation of their payroll deduction of dues by the employee providing written notice to the Federation. The Federation will subsequently provide written notice to the Employer of the revocation of membership and dues cancellation. After receipt of the confirmation from the Federation, every effort will be made to make the cancellation effective on the first payroll and no later than the second payroll after payroll's receipt of the notice.

2.4.1 Revocation does not alter an employee's status as part of the bargaining unit covered by this Agreement.

2.5 Payroll deduction and indemnification

The Employer agrees to provide, upon receipt of authorization from the faculty on a form provided by Human Resources, payroll deductions from the employee's salary for insurance plans, tax-sheltered annuities, credit unions or other such plans consistent with applicable state statute and OFM regulations.

The Employer shall, upon written authorization of the individual employee, provide payroll deduction of Federation membership dues for faculty within the bargaining unit. Such deductions shall be remitted to the authorized Federation representative.

The Federation agrees to indemnify the Employer and hold it harmless against any and all suits, claims, demands and liability for damages or penalties that shall arise out of or by reason of any action that shall be taken by the Employer for the purpose of complying with the foregoing provisions of this section provided such action has been authorized by the Federation and such authorization has not been rescinded in writing to the Employer.

Article 3 FEDERATION RIGHTS

3.1 Use of Facilities.

The Federation and its representatives shall have the right to schedule the use of District buildings to transact lawful Federation business, provided there is no interference with normal scheduling procedures and further provided that no additional cost is incurred by the Employer.

3.2 Postings.

The Federation or its affiliates shall have the right to post notices of its activities and matters of concern on bulletin boards and electronic sites assigned for its use. The

Federation or its affiliates may use other College District bulletin boards or electronic resources in accordance with District policy related to such postings.

3.3 Communications.

The Federation and its affiliates shall have the right to use the Employer's internal mail, including electronic mail service and faculty mailboxes, for communication of Federation business.

3.4 Board Meetings.

The President of the Federation or their representative shall be scheduled to report at each regular monthly meeting of the Board of Trustees. A copy of the agenda shall be forwarded to the Federation President at the same time it is transmitted to the Board members.

3.5 Information.

To assist the Federation in carrying out its role as the bargaining agent for faculty, the Employer, upon written request, shall furnish to the Federation information in the same form available to the general public. State Board for Community and Technical Colleges' reports and correspondence to college administrators related to wages, hours, and working conditions will be provided to the Federation in the same form and detail as provided to administrators as soon as practicable.

3.6 Administrative Procedures Act Hearing Notices.

All notices of hearings conducted under the Administrative Procedures Act (APA) directly affecting faculty interests shall be provided to the Federation consistent with APA terms.

3.7 Faculty List.

The Employer agrees to provide the Federation President, within a reasonable time during each academic year, the names, addresses, email addresses, and telephone numbers (privacy requests excepted) of all full-time faculty. A list of associate faculty showing name, address, email, telephone number (privacy requests excepted), and administrative unit shall be provided to the Federation President and Associate Faculty Liaison by the third week of the quarter.

3.8 Federation Related Meetings.

The Federation shall have the right to send one or more representative(s) to legislative committee hearings, SBCTC meetings, or Federation regional or statewide meetings/conferences. The Federation agrees to pay the costs of a substitute that may be necessary, in the judgment of the appropriate administrator, to fulfill the representative's assignment during the individual's absence. Travel and related expenses shall be borne by the Federation.

3.9 Distribution of Agreement.

Copies of this Agreement will be available electronically to all members of the bargaining unit within thirty (30) days of its execution.

3.10 New Hire Notification.

At the time the District receives a signed contract from a newly hired full-time faculty member, the Federation will be notified of the name and contact information.

3.11 Reassigned Time for Federation President.

The Federation's President shall receive one-third FTEF reassigned time (at the District's expense) during each of fall, winter, and spring quarters. Such reassigned time shall be implemented through consultation between the Federation and the District President. The SVCFT may purchase additional reassigned time for its members by reimbursing the College for actual replacement costs at the Step A associate faculty rate upon approval by the District President.

The Federation President and/or the Federation member(s) shall assist in the following:

- 3.11.1 Facilitating communications among bargaining unit members and the Board/administration.
- 3.11.2 Participating with the administration in assuring that the Agreement is executed according to mutual interpretation between the District and the Federation.
- 3.11.3 Working cooperatively with the administration toward amicable solutions of problems which may arise in the administration of the Agreement provisions.

3.12 Reassigned Time for Federation Lead Negotiator.

The Federation lead negotiator shall receive FTEF reassigned time as determined by the SVCFT Executive Committee. Said reassigned times shall be purchased by SVCFT by reimbursing the College for actual replacement costs at the Step A associate faculty rate.

- 3.12.1 The lead negotiator shall provide representation of the bargaining unit for changes to Article 11 based on salary allocations as approved by the legislature and stipulated in Article 20;
- 3.12.2 The lead negotiator will also be responsible for ongoing negotiation issues and research as directed by SVCFT.

3.13 Associate Faculty Liaison.

The Associate Faculty Liaison will be selected by SVCFT in consultation with college administration to serve as a liaison for associate faculty in the District.

3.13.1 The role of the Associate Faculty Liaison will be to communicate associate faculty concerns to SVCFT and College administration.

3.13.2 The Associate Faculty Liaison will be paid 5 FCU's for each of fall, winter, and spring quarters at their current associate faculty rate. SVCFT will reimburse the College for 50% of the actual costs for this position.

Article 4 FACULTY RIGHTS

4.1 Individual Rights.

Nothing contained within this Contract and/or District No. 4 policies, rules, or regulations shall be construed to deny or restrict to any member of the bargaining unit rights applicable under the laws of the state of Washington and of the United States.

4.2 Rights of Members in Bargaining Unit.

The Employer will not interfere with, restrain, coerce, or prevent any faculty from exercising their legal rights to organize, join, and support the bargaining unit for whatever purpose in which it lawfully may engage.

4.2.1 The Employer agrees it will not discriminate against any faculty because of membership in the Federation, because of participation in any lawful activity on behalf of the Federation, or because of any action taken within the established grievance procedure.

4.2.2 The behavior of faculty in non-work related activities shall not be of concern to the District, provided such activities do not affect job performance/effectiveness, violate conflict of interest regulations, or violate state or federal guidelines pertaining to Title IX.

4.3 Disciplinary Action.

No faculty shall be reprimanded, disciplined, or reduced in compensation without just cause and due process. The faculty disciplinary process is outlined in Article 12. This section shall not apply in matters regarding tenure review or dismissal handled pursuant to Articles 10 and 14, respectively.

4.4 Safety.

Both parties agree that every reasonable effort shall be made to maintain safe working conditions. All faculty shall follow current safety rules and procedures. Faculty shall be given immediate notice of any known present or imminent danger to body or property,

whether from physical or human origin. The *All Hazards Emergency Response Plan*, located on the SVC intranet, provides a guide for responding to emergencies and disasters.

Faculty are encouraged to report observed behavior that warrants concerns for the safety and well-being of the community, or the safety of an individual by filing an SVC CARE Team Incident Report.

Incident Report Forms are available to report any campus safety issues, crimes, accidents, dangerous conditions, or suspicious activity. This includes violations of college and campus rules, policies, and procedures.

4.4.1 Faculty shall be covered under Washington State Industrial Accident Insurance in compliance with applicable law. Any difference between such coverage and normal compensation shall be covered by accumulated sick leave on request of the faculty.

4.5 Staff Lounge.

All faculty shall continue to have the right to use the staff lounge provided by the Employer during the duration of this Agreement.

4.6 Liability Protection.

Liability protection shall be available in accordance with the Tort/Claims Act of the state of Washington.

4.7 Travel.

When full-time faculty's regular workload during the normal working day is divided between duty stations, District transportation may be used for this purpose if it is available. If transportation is not available, reimbursement for mileage will be made per state travel regulations.

4.7.1 Excluding travel covered by the paragraph above, reimbursement for authorized travel shall be based at the maximum rate allowed by OFM regulations.

4.8 Parking, Proximity Cards, and Keys.

If parking fees are to be charged, fees will be the same for all user groups, provided that the Board agrees to meet and confer with the Federation prior to implementation of any fees.

4.8.1 The Employer will make available to members of the bargaining unit the

required key(s) or proximity card(s) necessary to perform their job(s).

- 4.8.2 All keys and proximity cards will be returned at the time of separation of employment. Associate faculty will return SVC property at the end of the quarter unless they have been issued a contract for a subsequent quarter.

4.9 Copyrights and Patents.

The ownership of any materials, inventions, or processes developed solely by a faculty member's individual effort and expense, on their own time, shall rest in the faculty member and be copyrighted or patented, if at all, in their name. The ownership of any materials, invention or processes produced solely for the District and at District expense, shall rest in the District and be copyrighted or patented, if at all, in its name.

- 4.9.1 In those instances where materials, inventions, or processes are produced by a faculty with District support, by way of the use of significant personnel time, facilities, or other District resources, the ownership of the materials, inventions, or processes shall rest in (and be copyrighted or patented, if at all) the person designated by written agreement between the parties entered into prior to the production. In the event there is no such written agreement entered into, the ownership shall be determined by mutual agreement.

4.10 Policy and Procedures Manual.

The Employer will make available to all members of the bargaining unit a copy of the District Operational Policies and Procedures Manual (OPPM) on the SVC intranet. SVCFT shall be notified of all updates to the OPPM.

4.11 Individual Contracts.

The Employer agrees to provide to every member of the bargaining unit a written agreement which delineates the terms of employment, including all conditions and responsibilities attached thereto, provided that such written agreements shall be in conformity with the Washington State Law, State Board for Community College Education regulations, District No. 4 rules and regulations, and the terms and conditions of this Contract. Such agreements will typically be administered five (5) working days prior to the start of the quarter excluding late start and headcount contracts dependent on enrollment figures.

- 4.11.1 Each year the Employer shall provide all annually contracted faculty a contract and/or re-appointment letter no later than sixty (60) calendar days prior to the ensuing academic year.

4.12 Academic Freedom.

Academic freedom is fundamental for the advancement of truth in all institutions of higher education conducted for the common good. The common good is best achieved when

faculty are free to pursue scholarly inquiry without undue restriction, and to voice and publish conclusions that the faculty member considers relevant.

4.12.1 The faculty member's right to select materials and the right to freedom of discussion is fundamental in the search for truth. Therefore, the District guarantees that faculty members shall have freedom of discussion and expression. Nevertheless, this right is not to be construed as license to introduce inappropriate material unrelated to the subject. Materials related to the topic shall not be censored on the grounds of controversy.

4.13 Personnel Files.

The Employer agrees to establish, maintain, and supervise an appropriate personnel file for each member of the bargaining unit. This file shall be for the sole purpose of recording all documents and other matters relating to a faculty's employment by the College. Faculty shall have access to their personnel files. Faculty shall have the right to be accompanied by a representative of their choice when reviewing their personnel files. Files shall be confidential except when used for normal administrative requirements, or when otherwise required by law, or as provided for in this section.

This shall not preclude the maintenance of all lawful payroll records nor maintenance of other essential records by appropriate personnel for the operation of the District.

4.13.1 No document of an anonymous origin shall be placed in the personnel file. Faculty members have the right to review all materials in their own personnel file and have the opportunity to append to it answers to any charges, complaints, or statements involved. The faculty shall then sign the materials, but a signature does not imply agreement with the statements contained in the material. Material may be removed from the file at any time upon mutual agreement.

4.14 Voluntary Transfer.

Any faculty member who wishes to transfer from one job to another or from one campus to another will file a request with the Human Resources Office. The request will contain the job and/or location desired. If a position in said department/location becomes available, and the faculty member meets the minimum qualifications for that position, the unit member may apply and will be invited to interview.

4.15 Postings (Full-time).

When a bargaining unit position becomes vacant or a new position is created, the Employer agrees to post notice for a reasonable period of time prior to filling the position. Posting shall consist of written notice to the President of the Federation as well as posting on the college job site. The posting shall contain the title, duties, rate of pay, and the qualifications for the job.

4.16 Resignation.

A full-time faculty member resigning a position for the subsequent instructional year shall notify the appropriate supervising administrator and submit a letter of resignation to the President. Once the President accepts the resignation in writing to the faculty member, the resignation cannot be revoked unless agreed to by the President.

4.17 Retirement

Any faculty member who plans to retire at the end of the current contract must submit a signed declaration of their intent to retire to the President. Once the President accepts the retirement in writing to the faculty member, the retirement cannot be revoked, unless agreed upon by the President.

Early notification of retirement stipends are paid in accordance with Article 11.12.2.

The Human Resources Office shall assist the retiring faculty member in determining benefits.

4.18 Non-Discrimination and Prevention of Sexual Harassment.

Sexual harassment matters shall be handled in accordance with the Non-Discrimination and Prevention of Sexual Harassment Policy. The parties agree that there shall be no discrimination against any faculty because of sex, age, race, color, national origin, sexual orientation, gender identity, marital status, disability, religion, or in the administration or application of the terms of this Agreement. Incidents of alleged discrimination shall be handled in accordance with the anti-discrimination policy.

4.19 Full-time Faculty Years of Service.

At the conclusion of each academic year, the College will compile a faculty years of service list that:

4.19.1 Includes all annually contracted faculty who were employed during the preceding academic year, and

4.19.2 Provides a year of service summary for each faculty member so listed. Annually contracted faculty will be granted credit based on their percent of full-time annual contract plus any part-time service, not to exceed a combined total of 100% in any academic year.

4.19.3 For current or past associate faculty members, the years of service calculation will be based on the sum of the "percent of full-time" data from all previous quarterly contracts (including summer). If, for any academic year, the sum of the "percent of full-time" figures is greater than or equal to 300%, one year of service credit will be granted. If the sum is less than

300%, service credits will be prorated using 300% as a base.

4.20 Emeritus Status.

In recognition of the contributions of its retired faculty, an emeritus status of distinction may be granted to eligible retiring faculty who are members in good standing at the College.

4.20.1 Eligibility. Faculty members with ten (10) or more years of continuous employment at the College, who retire as members of any Washington State Retirement System, and are in good standing, shall be eligible for emeritus status with certain lifetime privileges for their contribution to the College.

4.20.2 Recommendation/Award. Faculty meeting the above eligibility requirements may request Emeritus status. Conferring of this title is not automatic upon retirement. The President will review requests and recommend those candidate(s) in good standing and who have demonstrated meritorious service to the College to the Board of Trustees for their approval.

4.20.3 Emeritus Privileges. A complete listing of privileges can be obtained by contacting the Human Resources Office. Emeriti faculty member are not eligible for employee health benefits or compensation.

4.20.4 Responsibility of Emeritus Faculty. Emeritus faculty who provide services to SVC in any capacity, will adhere to the Ethics in Public Service Act (Chapter 42.52 RCW) and SVC policies, including those governing the use of college facilities and conduct on college property or events. Failure to adhere may result in the emeritus status being revoked.

4.20.5 Provisions of Employment Supersede Emeritus Status. Emeritus status is an honorary status and carries no formal employment relations, associated responsibilities or compensation. When an emeritus faculty member is employed by the College, whether as a post-retirement faculty member teaching on an associate faculty basis or in another capacity, the provisions of the employment shall prevail.

Article 5 FACULTY WORKLOAD STANDARDS

Full-time faculty shall meet the following general responsibilities:

- 5.1.1 Faculty shall provide services within their individual areas of competency, including teaching, counseling or library duties, according to their individual workload assignments, which support successful learning appropriate to a diverse student population, including underprepared students.

All faculty who are required (as noted below) to create a professional development plan must submit their PDP to their appropriate administrator (as defined in 7.4.3.1) on or before November 15. The PDP provides an opportunity for faculty to establish professional growth objectives over a four year period. The PDP must contain a minimum of four Professional Development Activities (PDAs) for a four year period.

The PDP is to be developed by the faculty member in collaboration with the appropriate administrator and administration will make every effort to accommodate faculty preferences in choice of activities. Successful completion of the PDP meets WAC 131-16-094 requirements for professional-technical faculty. For professional-technical certification requirements refer to WAC 131-16.

7.4.1.1 All tenured full-time faculty and full-time temporary faculty are required to have a four year PDP.

7.4.1.2 Professional-technical faculty have an additional state requirement to submit a PDP at three and five years (WAC 131.16.092)

As activities listed in the PDP are completed the faculty member will submit proof of completion to the appropriate

administrator. Faculty members are encouraged to maintain a copy of their PDP and completed PDAs in their own professional development file.

Examples of PDA that may be used alone or in a combination to meet the professional growth objectives established in the plan include but are not limited to: workshops, conferences, back-to-industry experiences, research, projects, or college coursework.

Note: The PDA will be evaluated on the basis of meeting the objectives established by the faculty member in collaboration with the appropriate administrator, not on the basis of the time spent on the activity. However, it is understood that activities that satisfy the PDP will not create an undue or excessive burden for the faculty.

7.4.3 Professional Development Activities (PDAs) Associate Faculty Timelines.

- 7.4.3.1 Step B, Step C, and Senior Associate faculty members must submit a written request for approval for their PDPs to their appropriate unit administrator by November 15 or the third week of their first quarter of employment, and each academic year thereafter by November 15.

Sabbaticals may be granted for a period of one, two, or three quarters within the same academic year. Within a seven-year period, a faculty member may be on sabbatical for no more than a total of three quarters. The total number of sabbaticals at any one period of time shall not exceed four percent (4%) of the total full-time equivalent faculty at SVC. The following criteria in no particular order will be used to determine successful sabbatical applications: retraining as needed for job retention, first time recipients, years

of faculty service, alignment with the institutional strategic priorities, and merit of proposal.

Any sabbatical shall be contingent upon a signed contractual agreement between the President or designee and the recipient, providing that the recipient shall return to SVC following completion of the sabbatical and serve in a professional status for a period commensurate with the amount of leave so granted. Failure to comply with the provisions of such signed agreement shall constitute an obligation of the recipient to repay to SVC any remuneration received during the leave.

Upon return to service after sabbaticals, faculty members shall be reinstated to their original position, or one of like status, and shall be entitled to salary and other benefits accrued by law commensurate with said position as if they had been in continuous service in the College District. Faculty returning from sabbatical will report on their sabbatical experience to their appropriate administrator in accordance with the sabbatical application criteria.

Sabbaticals for professional improvement shall be governed by the following procedures:

 - 7.7.1.3 A brief statement of how such professional improvement plans will benefit the individual and College District, and

 - 7.7.1.5 To be considered, all professional development sabbatical guidelines requirements must be completed.
- 7.7.2 Requests for sabbaticals shall be submitted at least six months prior to the quarter or academic year for which leave is desired; if the circumstances warrant, the President or designee may waive this requirement.

- 7.7.3 Prior to submitting a request for a sabbatical to the President or designee, it shall be the responsibility of the President or designee to ensure that plans to secure an adequate replacement have been initiated, if needed, and that the request does not exceed four percent (4%) of the total FTE faculty or represent more than one hundred fifty percent (150%) of the costs which would have otherwise been paid to the personnel on leave including the costs of replacement.
- 7.7.4 Compensation for sabbaticals will be: 100 percent of salary for one quarter; 85 percent of salary for two quarters; and 70 percent of salary for three quarters.
- In addition, other benefits shall accrue to the faculty member while on sabbatical leave as if on regular contract.

Leave after the first three quarters shall accumulate on the basis of one day (8 hours) per calendar month; such days shall be deemed compensable for any month during which full-time contractual days are worked; the remaining days, shall be non-compensable. The maximum accrual is twelve (12) days per instructional year.

Associate faculty shall accrue sick leave on the basis of one day (8 hours) per month, prorated to reflect the percentage of full-time load. Sick leave shall accrue on a proportional basis relative to the portion of full-time academic employee sick leave accrual attributable to in-class teaching time.

		8.00*

*Sick leave accrual cannot exceed 8 hours per month.

9.4 Sick Leave Usage

Accrued sick leave will be allowed on contractual days during the instructional year when the faculty member is unable to perform their assigned duties and responsibilities. Sick

leave usage is appropriate for the following:

- 9.5.2 Deduction for Associate Faculty. Sick leave may be utilized, during active employment. Leave will be prorated to reflect percentage of full-time load at time of usage; leave shall be deducted in hours based on the assigned percentage of full-time load.

Example:

Percent of full-time Contact		Hours Deducted
33%	$(.33)(7) =$	2.31 hours
125%	$(1.25)(7) = 8.85$	7.00*

*Sick leave deduction shall not exceed 7 hours per day.

- 9.5.3 Leave for illness, injury, bereavement and emergencies heretofore accumulated pursuant to law, rule, regulation or policy by persons presently employed by the college shall be added to such leave accumulated under this section.

9.6 Recording leave.

It shall be the responsibility of Human Resources Administrator to establish a system of

accounting to record accumulated leave under this section and monitor the use of such leave.

Leave usage will be deducted first from the compensable sick leave account. When that account is exhausted, leave will then be deducted from the non-compensable sick leave account.

9.7 Exhaustion of Sick Leave.

9.7.1 Exhaustion of Sick Leave Full-time Faculty. A leave of absence without pay may be granted to full-time faculty for all or part of an instructional year if a faculty member's illness or injury extends beyond the faculty member's sick leave accrual. Absence beyond the total number of days of accrued sick leave shall be without pay. Leave without pay shall be deducted at the faculty member's daily rate for each day of absence.

9.7.2 Exhaustion of Sick Leave Associate Faculty. An associate faculty will be placed on leave without pay status for the remaining leave when they have exhausted accrued sick leave. The College will assist the employee in maintaining insurance coverage while on leave by providing all available information and forms.

9.9.1 If an absence due to reasons of health is foreseeable, faculty shall notify the appropriate administrator of the beginning date of such absence. Such notification shall be in writing and submitted within a reasonable time prior to the beginning date of such absence.

9.9.2 As early as possible on each day that reasons of health require a faculty to be absent from duty, the employee shall directly notify the appropriate administrator.

9.10 Verification.

When an absence from duty for reasons of health, injury, or disability continues for five (5) or more consecutive days, or when abuse can be reasonably suspected, the necessity for such absence shall be verified in writing by an attending health care provider. The College may request a second opinion of the medical diagnosis at the College's expense.

Pursuant to state law and the College's Shared Leave Policy, eligible faculty members may participate in the Shared Leave Program.

- 9.14.1 In January of each year, and at no other time, a faculty member whose calendar year-end sick leave exceeds sixty (60) days of leave accrual, may choose to convert sick leave days earned in the previous year, minus those used during the year, to monetary compensation.

9.14.2 Monetary compensation for converted days will be paid at the rate of twenty-five percent (25%) and shall be paid at the faculty member's current instructional rate of pay as determined by Human Resources. Conversion of sick leave to monetary compensation is subject to customary payroll withholdings.

9.14.3 All converted days will be deducted from the faculty member's sick leave balance.

9.15 Unused Accrued Sick Leave.

Unused sick leave will accrue from quarter-to-quarter of the academic year, without limit, provided the faculty member maintains active employment.

9.16 Active Employment.

Active employment shall mean an instructional assignment or service to the College as detailed in an annual or quarterly contract.

9.18 Separation from Employment

Faculty who leave employment with the College for any reason other than retirement or death shall not be paid for accrued sick leave.

9.19 Remuneration for Unused Sick Leave at Retirement.

At the time of retirement from the College or at death, an eligible faculty member or the faculty member's estate will be compensated for the faculty member's accrued sick leave balance on a 4-to-1 day ratio and based upon based upon the eligibility requirements in Article 9.14.

A faculty member with an accrued sick leave balance will be compensated for the leave on a 4 to 1 day ratio and based upon the eligibility requirements in Article 9.14.

Dependent on the participation year designation, the compensation will either be deposited into a Voluntary Employee's Beneficiary Association (VEBA) account for the faculty member or directly to the faculty member as a cash-out. The default mode of compensation will be VEBA participation for all retiring faculty, unless a vote of retiring faculty determines otherwise as stated below.

9.19.1 Eligibility for Sick Leave Buyout. Eligibility for sick leave buyout will be when a faculty member retires from active service and meets the requirements of the retirement plan in which the employee is enrolled. The employee must meet retirement guidelines before sick leave buy out shall be paid. The provisions of this subsection are contingent on the continuation of the enabling legislation.

9.20 VEBA Participation Vote.

Voluntary Employee Beneficiary Association Plan (VEBA). The College will make contributions to the plan, on behalf of all employees in the academic employee group who are eligible to participate. All eligible employees will be required to sign and submit to the College an enrollment form to be admitted to the plan. If the eligible employee declines the plan and does not sign the enrollment form, the employee forfeits the accrued compensable sick leave conversion funds that would otherwise be payable at the employee's retirement.

Contributions on behalf of each eligible employee shall be based on an amount equal to their compensable accrued sick leave buyout contribution at retirement in accordance with the statute. For the purpose of retirement contributions to the plan, all employees who retire during the term shall be eligible.

The term of this plan is for the tax year from January 1 through December 31. The plan will be continually renewed for each successive year unless the academic employee bargaining unit votes to rescind the plan. When the outcome of a vote is non-VEBA participation, each retiring faculty member from the date of the vote until June 30 of the same instructional year will receive a sick leave cash-out subject to taxes and other customary withholdings in the individual faculty member's final paycheck.

When there are a minimum of five (5) retiring faculty members meeting the eligibility requirements of Article 9.19.1 on May 1 of any instructional year and for retirement prior to or at the conclusion of the same instructional year (June 30), a vote will be held to determine as a group whether to transfer accrued sick leave to VEBA (VEBA participation) or for individual cash-out (non-VEBA participation). A simple majority determines VEBA participation or cash-out and in the case of a tie the outcome will be VEBA participation. The vote will be conducted by the Human Resources Office on the second Monday in May after notification to SVCFT and the retiring faculty members.

- 9.20.1 When the default or outcome of a vote is determined to be VEBA participation, the College will deposit each retiring faculty member's sick leave into a VEBA Plan as authorized by RCW 41.04.340, as currently enacted or hereafter amended. A VEBA account may be used to pay any medical, dental or vision out-of-pocket expenses (deductibles, co-payments, co-insurance, etc.) plus post-retirement medical and dental insurance premiums. Because money transferred to VEBA accounts is tax free, there are strict IRS guidelines on how employers participate in VEBA. Each faculty member is required to complete and submit to Human Resources the VEBA enrollment form by their retirement date. Failure to do so will result in forfeiture of sick leave compensation.
- 9.20.2 Cash-out. When the outcome of a vote is non-VEBA participation, each retiring faculty member from the date of the vote until June 30 of the same instructional year will receive a sick leave cash-out subject to taxes and other customary withholdings in the individual faculty member's final paycheck. Thereafter, the default will return to VEBA participation.

9.21 Bereavement and Emergency Leave.

Sick leave may be used for bereavement in the case of death in the faculty member's immediate family or household. An academic employee may use up to five (5) calendar days from the accrued sick leave balance on each such occasion. When necessary, the Vice President for Instruction may approve additional days. In order to receive compensation for absences from duty due to bereavement and emergencies faculty shall comply with the following procedure:

Such relationships established by domestic partnerships also apply.

9.22 Civil Duty Leave.

Faculty members shall receive time off with pay, less the fee received for acting as a juror or witness, for required appearances in court or hearings resulting from a call to jury duty

or subpoena to appear to testify where the faculty member is not paid for testimony or personally involved in the action as the plaintiff, the defendant, or the object of the investigation. When the faculty member is personally involved, personal leave or leave without pay may be granted. Faculty members will be allowed to retain any compensation paid to them for jury duty service.

9.23 Military Leave.

Faculty members will be granted twenty-one (21) days of paid leave in accordance with RCW 38.40.060, as currently enacted or hereafter amended, to report for active duty, when called, or to take part in active training duty in such manner and at such time as may be ordered to active duty or active training duty in the National Guard or the Army, Navy, Air Force, Marines, Coast Guard, or any organized reserve or armed forces of the United States. For military leave thereafter, faculty members will be granted unpaid leave and reinstatement rights as provided by Chapter 73.16 RCW, as currently enacted or hereafter amended, and applicable federal law.

9.24 Personal Leave.

The Employer agrees that each full-time faculty member shall be entitled to two (2) days of absence from duty per academic year for personal leave with prior approval from the supervising administrator. Prior to exercising such right, the faculty concerned shall make a request to the department chairperson and the appropriate administrator, and the administrator will approve the leave, provided that the individual's classes and other duties will not be adversely affected. All such leaves of absence shall be reported to the appropriate administrator, and such absences shall be charged against the compensable sick days accumulated in accordance with 9.1 of this Article.

The faculty member is responsible for providing information responsive to the College's request and certification from the health care provider for the faculty member, faculty member's family member or covered service member for the purpose of qualifying for applicable protected leaves.

- 10.6.4 The TRC shall record and maintain official minutes of each meeting.

10.7 Criteria for Evaluating Candidates

- 10.7.1 The TRC evaluation of each candidate shall be directed toward and result in the determination of whether or not the candidate possesses the necessary professional competence and ability to perform effectively in their appointment. Evaluation will be based on assessing each candidate according to the following criteria:

In the other two quarters of the year (excluding summer), there will be two (2) or three (3) trainings (approximately one (1) per month and no more than two (2) hours per training) focused on other core competencies of faculty in addition to meetings between candidates and their respective TRC each quarter.

- 10.7.1.9 Ability and participation in curriculum development, program development, and learning outcomes assessment.

- 10.7.2 All college committee assignments for the candidate will be mutually agreed upon by the TRC and the candidate. Committee assignments may be waived or suspended at any time during the probationary period by mutual agreement between the TRC and candidate.

10.8 Tenure Review Committee Procedures

- 10.8.1 The TRC shall have the authority to obtain documents, records, testimony, and other materials deemed necessary for review of candidates.
- 10.8.2 All proceedings and reports prepared and provided pursuant to this article by any TRC members shall be held in confidence by the TRC, the Vice President for Instruction, the President, and the Board of Trustees unless otherwise required by law. All candidate files shall be delivered to the Vice President for Instruction's office at the conclusion of the tenure process.
- 10.8.3 The TRC shall show all evaluation instruments to the candidate prior to their use.
- 10.8.4 The TRC evaluation of the candidate shall be based on the following:
 - 10.8.4.1 Quarterly observations of practice by TRC members while the candidate is carrying out the primary responsibilities of their appointment. In the case of classroom observations, this may include review of course syllabi, classroom assessment, testing and grading procedures, and other classroom materials. A minimum of one observation by the supervising administrator and one observation by another TRC member shall be conducted each quarter and shall be scheduled on consultation with the candidate. Observations of practice by peers other than TRC members may be requested by the candidate of the committee. The TRC may also use peer observers other than committee members for additional observations of practice.
 - 10.8.4.2 Quarterly student questionnaires will be administered by the appropriate administrator(s). Such student evaluations shall be conducted in every class taught by the candidate (excluding summer quarter).
 - 10.8.4.3 Annual assessment of the candidate's participation in professional activities, both on and off campus.

- 10.8.4.4 Quarterly written evaluations by the candidate's supervising administrator. The TRC may request interviews with the appropriate administrator and/or department chair.
- 10.8.4.5 Annual written instructional practice review shall be reported to the TRC in the winter quarter. The candidate may utilize video recording of teaching, counseling, or library sessions, or other techniques for the purpose of instructional practice review.
- 10.8.5 The TRC shall provide constructive, detailed feedback to guide the candidate's professional development plan and self-reflection to ensure the candidate's achievement of core faculty competencies as defined in Appendix K.
- 10.8.6 In the event the candidate is not sufficiently performing the minimum duties of a full-time faculty member, the candidate shall be provided a detailed professional improvement plan by the TRC. The improvement plan will identify the specific areas needed for improvement to meet the minimum standards and expectations of full-time faculty work.
- 10.8.7 Should a disagreement occur between the candidate and the TRC over any area of evaluation, the candidate may submit a written statement of disagreement to the TRC chair and shall be entitled to a written response from the TRC. If the disagreement remains unresolved, the communication will be forwarded to the Vice President for Instruction for resolution.

10.9 Tenure Review Committee Documentation and Reporting

- 10.9.1 All written evaluations and recommendations prepared by the TRC pursuant to this article shall include the TRC's findings and supporting data and analysis.

- 10.9.1.1 Within ten (10) working days after any observation of the candidate by a TRC member and/or peer observers other than TRC members, the observer shall submit a written report to the candidate and the TRC. The report shall identify the candidate's strengths and weaknesses and any areas needing improvement. The candidate and/or observer may request a meeting between candidate and observer to discuss their performance and the observation report. The observer shall obtain the candidate's written acknowledgement of receipt of the written report and their written feedback, if any, to the report.
- 10.9.2 At the end of each quarter, a written report outlining the candidate's strengths and weaknesses shall be submitted to the candidate and the Vice President for Instruction. This report should include recommended steps, if any, that must be taken by the candidate to address areas needing improvement. The TRC shall obtain the candidate's written acknowledgement of receipt of the written report and attach their feedback, if any, to the report.
- 10.9.3 During each probationary year, a written summative evaluation of each full-time candidate's performance, including a recommendation whether to continue the tenure process, shall be submitted to the Vice President for Instruction. The TRC shall obtain the candidate's written acknowledgment of receipt of the written evaluation report and attach the tenure candidate's feedback, if any, to the report.
- 10.9.4 Prior to and no later than one complete quarter, except summer quarter, before the expiration of the probationary faculty's appointment, the TRC shall make a written recommendation to the appointing authority as to whether or not the candidate should be awarded tenure or an extension of the probationary period, per Article 10.10. The TRC shall obtain the candidate's written acknowledgment of receipt of the written evaluation report and attach the candidate's feedback, if any, to the report.

10.10 Decision to Award or Withhold Tenure

- 10.10.1 The final decision to award tenure shall rest with the Board of Trustees after it has given reasonable consideration to the recommendations of the TRC.
- 10.10.2 All written evaluations and recommendations prepared and submitted by a TRC pursuant to these rules shall include the TRC's findings and supportive data and analysis.

- 10.10.3 The Board of Trustees shall promulgate rules and regulations which shall provide for the award of faculty tenure following a probationary period not to exceed nine consecutive college quarters, excluding summer quarter, and approved leaves of absence: provided, that tenure may be awarded at any time as may be determined by the appointing authority after it has given reasonable consideration to the recommendations of the TRC. Upon formal recommendation of the TRC and with the written consent of the candidate, the appointing authority may extend its probationary period for one, two, or three quarters, excluding summer quarter, beyond the maximum probationary period established herein. No such extension shall be made, however, unless the TRC's recommendation is based on its belief that the candidate needs additional time to complete satisfactorily a professional improvement plan already in progress and in the committee's further belief that the candidate will complete the plan satisfactorily. At the conclusion of any such extension, the appointing authority may award tenure unless the candidate has, in the judgment of the TRC, failed to complete the professional improvement plan satisfactorily.
- 10.10.4 No later than one complete quarter, except summer quarter, before the expiration of the candidate's appointment, the appointing authority shall notify the candidate of the decision to either grant tenure at the conclusion of the probationary period or not renew the appointment for the ensuing year.
- 10.10.5 This appointment to tenure is effective until the faculty member retires or resigns from the tenured position or is dismissed for "sufficient cause" and by due process, as defined in Article 14.

Article 11 ECONOMIC PROVISIONS

11.1 Full-time Faculty Compensation.

- 11.1.1 Contractual days. Full-time schedule predicated upon one hundred seventy-two (172) contractual days.
- 11.1.2 Tenure-Track and Full-Time Temporary Faculty Compensation Schedule. See Appendix A for faculty compensation schedule.
- 11.1.3 Initial Placement. All new Tenured, Tenure-Track, and Full-Time Temporary faculty, who are issued an annual contract and are paid on the basis of the full-time faculty salary schedule will be placed on Faculty Compensation Schedule at Level 1 Probationary amount unless they meet additional placement criteria based on a combination of years of relevant experience, having a terminal degree in a primary discipline(s) they will be teaching, or have been

tenured at an accredited institution. Those with a minimum of eight years of full-time equivalent teaching experience at an accredited institution will be placed at Level 2 or higher. Those with a minimum of fifteen years full-time equivalent teaching experience at an accredited institution will be placed at Level 3 or higher. Those who have earned a doctorate in either their discipline or a closely related field will be placed at Level 2 or higher.

- 11.1.4 Status Change. Once a probationary tenure-track faculty member receives tenure or a full-time temporary faculty completes three years of full-time temporary service, they will be moved from the Probationary amount to the appropriate Tenured or Tenured (+) amount at the same level.
- 11.1.5 Tenured (+) Status. Tenured (+) status applies to faculty who have earned a terminal degree in their discipline or have earned a higher degree (in either their discipline or a closely related field) that is higher than the minimum degree required for their faculty position, those who have served in a Division Chair position (or equivalent as determined in previous contract negotiations). After five years of service at Level 5 Tenured, those who have not previously qualified for Tenured (+) status will move to Level Five Tenured (+).
- Transition to Level 5 (+). Effective July 1, 2022 through 2024-2025, eighteen current faculty members at Level 5 Tenured, as specified in a faculty compensation control list, will transition to Level 5 Tenured (+). The transition will be funded primarily by available turnover savings identified in the prior spring quarter, but this transition is not solely dependent on turnover savings. Turnover savings from 2021-22 will fund eight (8) transitions in 2022-2023 and any remaining turnover funds will help fund other compensation enhancements to the CBA. Turnover savings in 2022-2023 and 2023-2024 will first be used to fund the remaining ten (10) transitions (5 per year), and any remaining turnover funds will be allocated based on mutual agreement between SVC and SVCFT.
- 11.1.6 Earned terminal degrees. Faculty that earn terminal degrees in their primary discipline during the academic year, will have their step placement adjusted at the start of the next academic year.

- 11.1.7 Salary Advancement. Promotion advancement through the tenured salary levels will be granted for each four years that a tenured, tenure-track, or full-time temporary faculty member is in good standing. The counting of years will not be impacted by a change in status from full-time temporary to tenure-track, or from tenure-track to tenured. Advancement is not dependent on turnover savings or any other financial considerations. To remain in good standing, a faculty member must meet the following criteria:
- 11.1.7.1 Attend department and unit meeting, and institutional meeting days in accordance with Article 5
 - 11.1.7.2 Fulfill service requirements in accordance with Article 5
 - 11.1.7.3 Fulfill professional development plan outcomes in accordance with Article 7
 - 11.1.7.4 Fulfill advising duties in accordance with Article 5.
- 11.1.8 Good Standing: A faculty member will be assumed to be in good standing unless written notification is provided to the faculty member. If a faculty member is not meeting the criteria outlined in section 11.1.9, written notification will be provided within 60 days. The written notification will specifically describe the criteria outlined in section 11.1.9 that the faculty member did not fulfill, and will address consistent patterns rather than isolated incidents. The purpose of this notification is to ensure that all parties will work collaboratively to return the faculty to good standing as soon as possible. If there is a disagreement about whether the criteria from 11.1.9 were met, the faculty member may request that this decision be discussed in joint-labor management.
- 11.1.8.1 Restoration of Good Standing. To restore good standing, a faculty member will have the opportunity to complete activities that adjust their practice to meet the criteria for good standing outlined in 11.1.9. These activities will be outlined in an action plan agreed upon by the faculty member and their direct supervisor.
 - 11.1.8.2 If an action plan to restore good standing has not been created and agreed upon by the end of the following academic quarter (excluding summer quarter), or if an agreed upon action plan is not being fulfilled, the faculty member and the President of SVCFT will receive notification and the faculty will enter into Progressive Discipline per Article 12.

11.1.8.3 Regardless of the outcome for the previous academic year, a faculty will be considered to be in good standing for the current academic year if all criteria in 11.1.9 are met in the current academic year. Advancement through the steps will be based on four total years of service in good standing. These years do not need to be consecutive if a faculty member does not fulfill the good standing criteria one or more years.

11.2 Turnover Savings.

Turnover savings is the difference between the salary of a retiring faculty member and the replacement incoming faculty member, which is calculated minus benefits, sick leave buyout, and other charges. Positions eliminated by a permanent reduction-in-force will not be calculated for turnover savings.

11.3 High Demand Positions.

Effective July 2020, the State Board or Legislature will define high demand jobs and determine the new funding models for colleges. High-demand faculty positions are defined as meeting either or both of the following criteria:

- Teaching within a program that is included on the SBCTC High-Demand CIP List
- Teaching within a bachelor's degree program

Teaching within a program refers to specific courses found in the Program/Course Appendix. For bachelor's degree programs, this is limited to courses at the 300 and 400 level with course prefixes identified in the Program/Course Appendix. The above definition applies to current and future faculty and programs.

11.3.1 High-Wage Faculty Position. High-wage faculty positions are defined as high-demand faculty positions that have a positive industry wage differential.

Positive industry wage differential refers to a difference between the average faculty salary (defined as Level 3 on the Tenured Faculty Salary Structure) and the average industry wage, in which the industry wage is higher.

The average industry wage is calculated using three mutually agreed upon sources that must include:

- Bureau of Labor Statistics (a federal government source),
- Employment Security Department (a Washington State government source), and
- EMSI (Economic Modeling) or another mutually agreed upon third-party source.

The calculations referenced above can be found in the Wage Calculations Appendix.

- 11.3.2 High-Demand Salary Enhancements. Tenured, Tenure-Track, Full-Time Temporary, and Associate faculty will receive salary enhancement, paid as a stipend utilizing the High-Demand Stipend Tier Structure. These stipends are contingent upon the continuation of the HB2158 legislative funding and the amount dispersed to the college by the State Board. In the event the Legislature or the State Board reduces the funding level for high-demand dollars, the stipends will be reduced proportional to the reduction.

High-Demand Enhancement Tier Structure

	Annual Salary Enhancement	Associate Enhancement Per FCU	Moonlight & Load Outside of Primary RIF Unit Enhancement Per FCU
Tier 1	\$5,000	\$100	\$100
Tier 2	\$10,000	\$200	\$200
Tier 3	\$20,000	\$300	\$300
Tier 4	\$30,000	\$400	\$400

11.3.3 Faculty Eligibility

Annual Salary Enhancement applies to any Tenured, Tenure-Track, Full-Time Temporary faculty assigned to a primary RIF unit defined as a high-demand faculty position. The stipend is paid as an annual enhancement to the faculty’s base salary. Any overload or moonlight assignments would receive the stipend.

Associate Per FCU Enhancement applies to any Associate faculty assigned to a course defined as a high-demand faculty position. The stipend is paid at a per FCU basis.

Moonlight & Load Outside of Primary RIF Unit Per FCU Enhancement applies to any Tenured, Tenure-Track, Full-Time Temporary faculty assigned to a course defined as a high-demand faculty position that is outside their primary RIF unit. The stipend is paid at a per FCU basis for eligible moonlight and annual teaching load assignments.

11.3.4 Tier Eligibility

- Tier 1- applies to programs/courses defined as high-demand faculty positions, but not as high wage faculty positions.
- Tier 2- applies to programs/courses defined as high-demand faculty position and high-wage faculty positions with a positive industry wage differential that is up to 24%.
- Tier 3- applies to programs/courses defined as high-demand faculty position and high-wage faculty positions with a positive industry wage differential that is 25 to 49%.
- Tier 4- applies to programs/courses defined as high-demand faculty position and high-wage faculty positions with a positive industry wage differential that is 50% or greater.

11.3.5 Prorated Assignments/Contracts

Any tenured, tenure-track, or full-time temporary faculty assignments eligible for the high-demand enhancement that are prorated will have the enhancement prorated in a similar manner. Enhancements per FCU will not be prorated.

11.3.6 Remaining Funds. Any remaining high-demand funds, after stipends have been calculated, will be allocated on an annual basis to the following high-demand program activity areas using the corresponding proportions. Any high-demand funds remaining at the end of the year can be reallocated through mutual agreement.

- New Tenure-Track Positions—50%
- Program Development—25%
- Faculty Professional Development—15%
- Program Support—10%

11.4 Nursing Educator Positions.

Effective July 2019, the State Board and Legislature approved HB2158 that authorized and appropriated dollars solely to increase nurse educator salaries.

11.4.1 Eligibility. Nurse Educators are those faculty in positions that require a current Registered Nurse license or Licensed Practical Nurse license in the job description and are directly related to nursing instruction.

11.4.2 Nursing Stipend. Tenure and Tenure-Track faculty and Associate faculty will first be placed on the appropriate step of the most current salary schedule.

11.4.2.1 After initial placement, nurse educators will be paid an annual stipend of \$25,000, for the 2022-2023, 2023-2024, and 2024-2025 academic years.

11.4.2.2 Associate faculty will receive an Associate enhancement per FCU of \$350. Associate per FCU enhancement applies to any Associate faculty assigned to a course defined as a nursing faculty position.

11.4.2.3 Moonlight and overload assignments are eligible for the Associate enhancement.

11.4.3 Nursing Funding. The stipend is contingent upon the continuation of the HB2158 legislative funding and the amount disbursed to the college by the State Board.

11.4.4 Remaining Funds. Any remaining nursing funds, after stipends have been calculated, will be allocated on an annual basis to the following nursing program activity areas using the corresponding proportions. Any nursing funds remaining at the end of the year can be reallocated through mutual agreement.

- New Tenure-Track Positions 50%.
In the event that the nursing program is fully staffed and there are no new tenure track positions to be funded, this allocation will be reallocated to the other categories at the discretion of the nursing program.
- Program Development 25%
- Program Support/Equipment as authorized 25%

With mutual agreement, remaining funds can be transferred to offset nursing salaries currently allocated to an operational funding source.

11.5 Full-time Temporary Faculty (non-tenured and non-tenure track) Contracts

Payment for full-time temporary or prorata contracts will be based on pro-rata pay of the Step 1 of the Faculty Salary Schedule (based on 45 IU's). In addition, those individuals who have full-time temporary contracts are expected to fulfill the duties and

responsibilities of a full-time faculty member as described in Article 5. Full-time temporary faculty are expected to participate in the full-time faculty communities of practice as described in Article 10.7.1.8.

11.6 Associate Faculty Compensation.

11.6.1 Faculty Compensation Unit Rate: See Appendix A for associate salary schedule.

11.6.2 Summer Rate. After completing two academic years of teaching at SVC, Tenured, Tenure-Track and Full-time Temporary Faculty will be compensated at Step B of the associate wage scale.

11.6.3 Moonlight. Moonlight Rate for annually contracted faculty: See Appendix A for associate salary schedule. Tenured, Tenure-Track and Full-time Temporary faculty who moonlight are paid at Step A of associate salary schedule.

11.6.4 Faculty compensation units (FCU) are computed by total hours (lecture, lab, clinical) identified on the approved course outline for a given course divided by eleven (11). Associate faculty pay is computed by multiplying the faculty compensation unit rate by the number of faculty compensation units. This is for pay purposes only.

Example*: BISC 220 33 lecture, 44 lab

$33 + 44 = 77$

$77/11 = 7$ FCUs

A Step A faculty member would be paid $7 \times \$842 = \5894

* refer to Salary Appendix A for current rates of pay.

11.6.5 Associate Step Placement: All new associate faculty will be placed on Step A. Administration may opt to place new associate faculty at Step B in the case of experienced faculty or to address recruitment issues.

11.6.5.1 Once placed, associate faculty will be paid at their assigned step for any FCU-based compensation.

11.6.6 Associate Faculty Wage Scale Progression

Effective summer quarter 2022, associate faculty will transition from the existing wage scale to the new wage scale in Appendix A. The transition will be completed by the start of summer quarter 2024. The dollar value and funds received for the I-732 COLA (4.743% for 2022-23) are already factored into the new salary scale through 2022-2023. I-732 COLA for 2023-2024 and 2024-2025 will be applied. Step A will transition as follows:

- 2022-2023: 60% of Level 1 Tenure-Track/Temporary salary
- 2023-2024: 62.5% of Level 1 Tenure-Track/Temporary salary
- 2024-2025: 65% of Level 1 Tenure-Track/Temporary transition completed.

Once the transition to the new associate wage scale is complete, associate FCU compensation will be calculated as a percentage of Level 1 Tenure-Track/Temporary salary as follows:

Associate Level/Status	Associate FCU Percentage of Level 1 Tenure-Track/Temporary Effective 2024-2025
Step A	65.0%
Step A (+)	67.5%
Step B	70.0%
Step B (+)	72.5%
Step C	72.5%
Senior Associate	75%
Senior Associate (+)	77.5%

11.6.7.1.3 Associate faculty promoted to Step B or Step C agree to hold office hours per Article 5.6.9.

11.6.7.1.4 Note: Annually contracted, full-time faculty (i.e. full-time temporary, probationary, and tenured faculty) are not eligible to receive Step B or Step C pay for moonlight assignments.

11.6.7.2 Timeline for Step B and C Associate Faculty Promotions.

If the date falls on a Saturday, then the due date will be the Friday before, and if the date falls on a Sunday, the due date will be the subsequent Monday.

11.6.7.3 Associate (+) Status. Associate faculty at Step A or Step B of the salary scale, and Senior Associate faculty members may move to Associate (+) status for satisfying higher degree requirements. Associate faculty who have earned a terminal degree in their discipline or have earned a higher degree (in either their discipline or a closely related field) that is higher than the minimum degree requirement for their faculty position, may apply for Associate (+) status effective 2024-2025.

11.6.7.4 Step C Longevity. Step B associate faculty with fifteen (15) years of service at Skagit Valley College may apply for Step C longevity pay equal to 72.5% of Level 1 Candidate/Temporary effective 2024-2025. Any academic year in which at least one course was taught at SVC will count as a year of service for this purpose, and years of service do not need to be consecutive.

11.6.7.5 Promotion to Senior Associate Faculty

11.6.7.5.1 Eligibility: Senior Associate is a promotion available to associate faculty members that have reached Step B and taught a minimum of 90 FCUs at Skagit Valley College. This includes Step B faculty currently serving in Full-Time Temporary faculty roles who have successfully completed the interview

process and have been promoted by the supervising administrator. Senior Associates workload standards are outlined in article 5.6.5.

The promotion process provides a professional development opportunity in interviewing and receiving feedback, regardless of whether a promotion is received by those eligible to apply.

11.6.7.5.2 Application Process: To attain the promotion, faculty will complete the Senior Associate application, be interviewed, and evaluated for promotion by an interview panel.

11.6.7.5.3 Interview Panel: The interview panel will consist of an appropriate instructional dean, an appropriate department chair or tenured faculty member (or annually contracted FT faculty) who is not a chair by mutual agreement, and the option of one faculty member from a different department.

11.6.7.5.4 Timeline: Human Resources will provide notice of the promotion opportunity and application materials by June 1.

Human Resources will set an application deadline for July 15, and interviews will take place in August.

One week following the selection process, unsuccessful applicants may request a meeting with the Instructional Dean to receive feedback and recommendations for professional development.

Unsuccessful applicants may reapply for promotion after two years.

11.6.7.5.5 Senior Associate Duties. As an ongoing condition of employment, Senior Associate faculty will be required to complete the additional duties as outlined in Article 5.6.5.

11.6.7.5.6 Non-Renewal. Management reserves the right to non-renew an associate faculty contract or not award a promotion to Senior Associate for any reason. Such a decision is not subject to the grievance procedure of this agreement. However, whenever

appropriate, the college will make every effort to provide feedback and a transparent process.

11.6.7.6 Senior Associate Course Assignments: Senior Associate faculty will be given priority for multi-quarter contracts and course assignments up to 15 credits per quarter provided there are enough sections and courses available which they are qualified to teach after full-time load is satisfied. Any credits beyond 15 will be assigned according to the standard associate faculty course assignment process.

11.6.8 Non-Compliance.

11.6.8.1 By April 20th, the appropriate unit administrator will email all associate faculty who have not met their PDA requirements a notification of possible non-compliance.

11.6.8.2 Any Step B, Step C, or Senior Associate faculty who have not been maintaining their scheduled office hours will immediately be emailed a notification of possible non-compliance by their unit administrator.

11.6.8.3 If an associate faculty member does not complete the professional development activity(s) or the required office hours, the faculty member will revert back to their previous Step at the beginning of the next academic year. The associate faculty member will be required to remain at this rate for at least one year.

11.6.9 State Allocation. The parties agree that the distribution of any allocation by the State Board for Community and Technical Colleges for associate faculty shall be negotiated each year.

11.6.10 Supplementary Assignment Rate. See Appendix A for salary schedule.

- 11.6.10.5 Fully Coordinated Learning Communities. Compensation shall be equal to the total credit hours of the course.
- 11.6.10.6 Meeting and In-Service. For all faculty meetings and in-service training assigned by the appropriate administrator, the faculty shall be compensated at the non-instructional meeting rate.
- 11.6.10.7 Cancellation. In the event of a class canceled within five (5) working days of its start date, or a faculty reassignment to meet workload requirements is made within five (5) working days of the class start date, the faculty member shall receive ten (10) hours of compensation at the non-instructional meeting rate for preparation, plus compensation for any class time met.
- 11.6.10.8 Learning Communities - In fully coordinated learning communities, credit load for each faculty member shall be equivalent to the total credit hours for the community. - 11.6.10.9 Linked learning communities and federated learning communities. Will be compensated according to the stipends in Appendix A.

11.7 Multi-Quarter Contracts for Associate Faculty Positions.

SVCFT and Skagit Valley College recognize that (a) providing consistent and predictable scheduling is an important factor in delivering high quality teaching, (b) attracting and retaining high quality associate faculty is critical to our students' success, and (c) increasing job security for associate faculty improves our quality of instruction. We therefore formally recognize the crucial, necessary role that associate faculty fulfill at the College. As one strategy to achieve these interests, multi-quarter contracts shall be offered to associate faculty in programs with stable class schedules and enrollments. Multi-quarter contracts are on an academic year basis and shall consist of employment

up to three consecutive quarters and can be any number of FCUs per quarter. The appropriate administrator is responsible for assigning associate faculty and will consider the following in no particular order: needs of the department, seniority, qualifications, evaluations, availability, and moonlight requests. However, priority will be given to Senior Associate faculty.

Reassignment of courses for faculty on multi-quarter contracts may occur based on cancellation of courses, low enrollments, or program changes, but the total number of IUs will not change, nor will the contract be terminated without just cause.

It is understood that by offering multi-quarter contracts to an associate faculty, there is no guarantee that future multi-quarter contracts will be offered to that individual.

Skagit Valley College is committed to offering as many multi-quarter contracts as it can, whenever possible. The Office of the Vice President for Instruction shall collect data on the number of multi-quarter contracts offered each year, and a representative from SVCFT and the Vice President for Instruction will meet to confer annually no later than the second Tuesday of May to determine the number of multi-quarter contracts to be offered for the next academic year.

Multi-quarter contracts will be issued the last week in July each year.

11.7.1 Priority Hire List Faculty. Individuals grandfathered in from the priority hire list, as of June 2016, will have first rights to multi-quarter contracts, with a minimum of 10 credits, for which they are qualified, provided they continue to receive adequate evaluations from their appropriate administrator. If multi-quarter contracts are not offered, individuals on the priority hire list will be given priority for course assignment, up to 10 credits per quarter, for which they are qualified, provided there are enough courses and sections available after full time faculty load and moonlight assignment.

11.8 Beyond Normal Teaching Load Pay.

Due to the nature of certain programs, full-time faculty may be assigned to teach loads which exceed the normal teaching load of 45-48 instructional units. Payment for these beyond load will be paid during spring quarter after determination of the faculty member's load is completed. This pay does not apply to optional assignments. Payment will be based on the percent of load in excess of their normal teaching load times the level pay of the full-time faculty on the full-time faculty schedules. Beyond normal teaching load pay will be computed as follows $[(\text{Academic Year IU load} / 48) - 1] \times [\text{Level of pay from full-time schedule}]$

Example: Academic IU load* = 51; Level of pay = level 2, \$68,423
Beyond Normal Teaching Load Pay = $[(51/48)-1] \times \$68,423 = \4276.44

*See Appendix A for updated rates of pay.

11.9 Extra Duty and Summer Pay.

- 11.9.1 In order to maintain certain teaching functions, counseling functions and library-media functions, contracts beyond the basic standard (nine-month) contract are necessary. Such contracts are based upon the recommendation of appropriate supervisors who determine the length of time necessary to maintain the functions described above. The salary for extended contracts shall be .0058 of the employee's base annual salary for the current academic year for each assigned day unless otherwise dictated by legislation. This section applies to full-time academic employees, such as Early Childhood Education, Nursing, Allied Health Education, Counseling, and Library Media Services, who perform activities that are substantially equivalent to those in the regular school year.
- 11.9.2 At a minimum, an equivalent of six full-time counselors will receive extended contracts for the 15 working days immediately preceding the 172-day contracted schedule for full-time faculty members, as described in Article 5.8.
- 11.9.3 Extended contracts, mutually agreed upon flexible scheduling, or both will be utilized to assign the equivalent of one full-time counselor (based on 35-hour work week as described in Article 5.3.2) for summer quarter, winter break, and spring break.
- 11.9.4 Payment for teaching functions during summer session shall be in accordance with the Associate Faculty Salary Schedule (see Appendix A).
- 11.9.5 Moonlight Courses/Assignment. Courses that annually contracted faculty who are asked and voluntarily agree to teach beyond their normal assignment for the quarter. This may include day, evening, weekend, or a course outside of their discipline or program. Moonlighting is paid at Step A of the associate faculty rate, and is paid during the quarter in which the service is delivered.
- Moonlight Assignments. Full-time faculty with moonlight assignments shall not have the right to bump associate faculty when a class is canceled, as long as load for the full-time faculty is maintained.
- 11.9.6 Release Time. Tenured, Tenure-Track, and Full-Time Temporary faculty serving in release-time positions will have the option of taking release from their normal course load or receiving a stipend at the appropriate moonlight Step A rate.

11.9.7 Head Count Pay. Where classes are taught by independent study, the faculty member shall be paid a base amount that is one-sixth (1/6) of their current associate faculty FCU Rate and an additional one-eighteenth (1/18) of their current associate faculty FCU Rate per enrolled student, provided that such calculations shall not exceed the amount derived from the Associate Faculty Salary Schedule Faculty Compensation Rate.

Headcount Formula:

Example*: MATH 224, 55 lecture, $55/11 = 5$ FCU's An independent study course for MATH 224 with only 3 students would be paid \$1,404 total based on receiving the base amount of \$702 ($\$4,210/6$) and an additional \$234 for each of the 3 students ($\$4,210/18 = \234)

*See Appendix A for updated rates of pay.

11.9.8 Independent Study. Faculty that are requested by their supervisor to teach an independent study course will be notified by their supervisor that when teaching said course the faculty has no obligation to meet as the course was originally published in the schedule. Faculty determine the structure of independent study classes. Faculty will be paid per Article 11.9.7.

11.9.9 Low Enrolled Courses. In situations where class enrollment does not exceed 15 students, the assigned faculty may be provided the option at the request of the appropriate unit administrator to teach the class on a per headcount basis as defined in 11.9.7. Headcount is based on enrollment on the fifth day of the quarter.

11.9.10 Clustered Classes. The College may cluster classes with similar content provided the class capacity is not exceeded, and on ground contact hours do not increase, and this is done in collaboration with the full-time faculty within the discipline area. On a quarterly basis the SVCFT Labor Management Committee will review contracts issued for clustered classes.

11.9.11 Quarterly and Production Stipends. Nothing herein shall be construed to require the administration to continue said activities. The following activities may receive an additional stipend per Appendix A.

11.16 Reemployment following Retirement

Employment post retirement is subject to enrollment and college needs.

Faculty returning to employment following the retirement from a Washington State Retirement Plan or State Board Retirement Plan may be limited in the number of hours they may work without impacting their retirement benefit. Plan rules dictate the length of time the employee must be in retirement status as not to impact their eligibility for retirement benefits or distributions.

Example: SBRP requires 6 months or two (2) academic quarters of retirement from all Washington State Community and Technical Colleges before reemployment in SBRP participating college.

If the College employs retired faculty, compensation is paid on the associate faculty wage scale.

11.17 Insurance Programs.

Pursuant to State Board Policy 2.70.02, eligible faculty may participate in health and life insurance plans made available and administered by the Public Employee's Benefits Board; provided, that, with the approval of the Public Employee's Benefits Board, other types of insurance plans, except for liability insurance, may be made available. The amount of monthly College District premium contribution paid on behalf of each participating faculty shall be that designated by the Public Employee's Benefits Board. 11.18 Part-Time Employee Eligibility for Health Insurance Benefits.

Eligibility for enrollment and maintenance of health insurance benefits will conform to the

criteria established by the State of Washington Health Care Authority and set forth in WAC Title 182. Part-time faculty will be provided eligibility information when first employed and whenever policy changes occur.

Article 12 DISCIPLINE

12.1 Intent.

All faculty members are expected to perform the duties and responsibilities of their primary work assignment, as referenced in Article 5.0 Workload, and to comply with Board Policies, the College's rules, regulations, and administrative policies and procedures, and state and federal laws.

12.2 Attempt at Informal Resolution.

Nothing in this Agreement precludes the supervising administrator from attempting to resolve any matter informally with a faculty member. If, during a meeting between the supervising administrator and the faculty member, the supervising administrator concludes that discipline could reasonably result from the information provided by the faculty member; the supervisory administrator shall inform the faculty member of such and allow the faculty member to seek representation from the SCVFT.

12.3 Right to Representation.

- 12.3.1 Investigation Interviews and Disciplinary Meetings. A faculty member shall have the right to have an SVCFT representative present at an investigation interview called by the College if the faculty member reasonably believes discipline could result or at disciplinary meetings in which discipline is anticipated or imposed. Once a request for SVCFT representation is requested, the College will cease any proceedings at the request of a faculty member to allow them to obtain representation.
- 12.3.2 Faculty Member Responsible for Contacting SVCFT. Faculty members seeking representation are responsible for contacting their SVCFT representative. If the requested representative is not reasonably available, the faculty member will select another available SVCFT representative. If a representative is still not available, the meeting will be rescheduled at a mutually agreeable time, but no later than five (5) calendar days after the first meeting was scheduled.
- 12.3.3 No Interference. The exercise of rights in this Article will not interfere with the College's right to conduct an investigation.

12.4 Investigations.

- 12.4.1 Right to Conduct an Investigation. The College reserves the right to conduct an investigation into any allegation of misconduct or any alleged violation of this Agreement or any Board Policies, the College's rules, regulations, and administrative policies, state and federal law, and professional ethics. All faculty members are required to cooperate with the College's investigation.
- 12.4.2 Timely Resolution. The College and Association agree to cooperate to ensure the timely resolution of investigations of alleged faculty member misconduct.
- 12.4.3 Anonymous Complaints. Anonymous complaints may not be used as a basis for discipline. Anonymous complaints are defined as those in which the identity of the complainant is unknown, or in which the complainant's identity is not disclosed to the faculty member. This does not preclude informal notice to the faculty member that an anonymous complaint was received, nor does it preclude the College from following up on an anonymous complaint, where evidence exists to support the complaint. The College is entitled to conduct an investigation where evidence suggests faculty member wrongdoing and follow-up with discipline where appropriate and supported by rebuttable evidence.

- 12.4.4 Formal Complaint. A formal complaint made against a faculty member by a student or other person will be called to the attention of the faculty member within seven (7) business days of the filing. When the Human Resources Office, after reviewing the complaint, determines an investigation is warranted, notice will be given to the faculty member within ten (10) business days of that decision. Student complaints not related to the College's Prevention of Harassment and Discrimination Policy will be handled in accordance with the College's Code of Student Rights and Responsibilities, as currently enacted or hereafter amended.
- 12.4.5 Investigation Process. The College has the authority to determine the method of conducting investigations. An investigation may be conducted by an administrator or independent third party, as determined appropriate by the Human Resources Office. All administrators conducting such internal investigations shall have received training in standard investigative procedures.
- 12.4.6 Administrative Leave. When determined appropriate by the Human Resources Office, a faculty member may be placed on administrative leave with pay, pending the outcome of the investigation and/or imposition of discipline. A faculty member placed on administrative leave will not be prohibited from contacting an SVCFT representative.
- 12.4.7 Investigation Findings. A summary of the investigation findings, if requested, will be made available to the faculty member and SVCFT within thirty (30) business days of the conclusion of the investigation. A request for disclosure of any investigation report filed by the assigned investigator will be filled by the College pursuant to state and federal disclosure laws.

12.5 Discipline.

The College has the authority to impose discipline, which may be grieved as set forth in Article 12 – Grievance Procedure. The following will be considered in imposing discipline:

- 12.5.1 Just Cause. No faculty member shall be disciplined without just cause. The seven tenets of just cause are the following:
- 12.5.1.1 Notice. The College gave the faculty member forewarning or foreknowledge of the possible or probable consequences of the faculty member's disciplinary conduct.
- 12.5.1.2 Reasonable Rule or Order. The College's rules or managerial orders, as identified in 12.1, are reasonably related to (a) the orderly, efficient, and safe operation of the College's business, and (b) the performance that the College might properly expect of the faculty member.

- 12.5.1.3 Investigation. The College, before administering the discipline, made an effort to discover whether the faculty member did, in fact, violate or disobey a rule or order of the College.
- 12.5.1.4 Fair Investigation. The College's investigation was conducted fairly and objectively.
- 12.5.1.5 Proof. The investigator obtained reasonable evidence or proof that the faculty member did engage in misconduct contrary to Board Policies, the College's rules, regulations, and administrative policies and procedures, and/or state and federal laws.
- 12.5.1.6 Equal Treatment. The College has applied its rules, orders and penalties evenhandedly and without discrimination to all faculty members.
- 12.5.1.7 Penalty. The degree of discipline administered by the College in the particular case was reasonably related to (a) the seriousness of the faculty member's proven offense, and (b) the record of the faculty member's service with the College.
- 12.5.2 Progressive Discipline. The College shall apply, where appropriate, the principles of progressive discipline as follows: verbal warning, written reprimand, suspension with or without pay, and finally dismissal (refer to Article 14 Dismissal for Sufficient Cause or Reduction in Force). The College will not be required to apply progressive discipline where the nature of the misconduct calls for the imposition of more serious discipline or discharge.
- 12.5.3 Time Limitations. No disciplinary action beyond three (3) calendar years may be used to justify current disciplinary action, except for last chance agreements or repeat misconduct. A repeat of the same misconduct can renew the three-year period for which the disciplinary action could be used as a basis for or step in progressive discipline.
- 12.5.4 Notice to Faculty Member. Verbal warnings and written reprimands will be identified as such. Prior to taking disciplinary action other than a verbal warning or written reprimand, the appropriate vice president will issue a "Notice of Proposed Disciplinary Action" to the faculty member, with a copy to SVCFT. Such notice will list the charge(s), an explanation of the evidence which forms the basis of the charge(s), and the action contemplated. The notice will also provide a meeting date and time at which the faculty member, with the assistance of an SVCFT representative if requested by the faculty member, may provide information and reasons orally or in writing why the discipline should not be imposed.

- 12.5.5 Imposition of Disciplinary Action. Once the supervising administrator and/or appropriate vice president has considered the information provided by the faculty member in Section 12.5.4 and determines disciplinary action to be appropriate, the faculty member will be provided a “Letter of Disciplinary Action,” with a copy to SVCFT.
- 12.5.6 Privacy. When investigating a complaint and/or disciplining a faculty member, the College will make an effort to protect the privacy of the faculty member.
- 12.5.7 Off-Duty Conduct. The off-duty activities of a faculty member may be grounds for disciplinary action if said activities are a conflict of interest as set forth in Chapter 42.52 RCW, as currently enacted or hereafter amended; are detrimental to the faculty member’s work performance or the programs of the College; or otherwise constitutes just cause. Unless prevented by extenuating circumstances, faculty members will report, within twenty-four (24) hours of the action or prior to the faculty member’s scheduled shift, whichever occurs first, all arrests and any court-imposed sanctions or conditions that may reasonably affect their ability to perform their duties and responsibilities to the College.

Article 13 GRIEVANCE PROCEDURE

13.1 Purpose and Definitions.

It is the declared objective of the Board and the SVCFT to encourage the prompt resolution of all grievances. Accordingly, the following grievance procedure is established to provide an orderly and expeditious procedure for this resolution. A grievance is defined as a complaint concerning any condition, action, or lack of action on the part of the Employer that a faculty member or the Federation believes to be a violation, misinterpretation, or misapplication of this Agreement.

13.2 Informal Level.

It is encouraged that the parties shall attempt to resolve any grievance at the lowest level.

13.3 Formal Level.

13.3.1 Step One:

A faculty member shall have the right to present a grievance to the Employer and to have such a grievance adjusted without intervention of the SVCFT as long as the adjustment is not inconsistent with the terms and conditions of this Agreement, and provided further that the SVCFT has been given opportunity to be present at such adjustment and to make the views of the SVCFT known.

Formal Level Step 1, as described below, shall be the only level at which faculty can file without Federation intervention. If the SVCFT finds the adjustment of a grievance at Step 1 is not consistent with the terms and conditions of this Agreement, the SVCFT may file

the grievance at Step 2. Under no circumstances may an individual grievant take the grievance to arbitration: as provided below, arbitration is a step to be pursued at the sole discretion of the SVCFT.

If the grievance cannot be adjusted informally, the grievant shall reduce the grievance to writing, stating the facts upon which it is based, the applicable provision(s) of this Agreement, and the remedy sought. The signed grievance shall be submitted to the Vice President for Instruction, within twelve (12) working days after the occurrence of the grievance or within twelve (12) working days from the time the grievant or the Federation should have reasonably become aware of the occurrence of the event giving rise to the grievance, whichever is later. The Vice President for Instruction, upon receipt of the written grievance, shall sign and date the grievance and shall give a copy of the grievance to both the grievant and the Federation. The Vice President for Instruction shall answer the grievance in writing, including the reasons upon which the decision was based, within ten (10) working days of receiving the grievance and shall concurrently send a copy of the grievance, their decision, and any and all supportive evidence to the grievant and the Federation.

13.3.2 Step Two:

If no satisfactory settlement is reached at Step 1, the grievance may be appealed to the President of the College or a designated representative within seven (7) working days of the decision rendered in Step 1. The President or a designated representative shall arrange for a meeting with the grievant and Federation representative to hear the evidence, and such meeting shall be scheduled within seven (7) working days of the receipt of the appeal. The President or a designated representative shall provide a written decision, incorporating the reasons upon which the decision was based, to the grievant and the Federation within ten (10) working days from the conclusion of the meeting. The decision rendered at Step 2 shall be considered the final position of the Employer.

13.3.3 Step Three:

13.3.3.1 If no satisfactory settlement is reached at Step 2, within ten (10) working days of the receipt of the Step 2 decision, the Federation may at its sole discretion appeal the final decision of the Employer to the American Arbitration Association or Public Employment Relations Commission for arbitration under the voluntary rules.

13.3.3.2 The arbitrator shall hold a hearing within twenty (20) working days of their appointment. Seven days' notice shall be given to both parties of the time and place of the hearing. The arbitrator will issue a decision within thirty (30) working days from the date final written briefs have been submitted, or if waived by both parties, thirty (30) working days after the completion of the hearing. The arbitrator's decision will be in writing and will set forth their findings of fact, reasoning, and conclusions on the issues submitted to them. The decision of the arbitrator shall be final and binding upon the Employer, the Federation and the affected employee(s). The fees and expenses of the arbitrator shall be equally shared by both parties.

13.3.4 Time Limits.

13.3.4.1 A working day shall be defined as a day on which the main office of the college is open for business (M-F). In calculating working days as used in this article, those days that fall between the end of one quarter in any of the four quarters and the beginning of the subsequent quarter shall be excluded.

13.3.4.2 Failure on the part of the Employer to render a written decision concerning the grievance at any step of this procedure and within the time limits specified shall be considered a settlement in favor of the grievant.

13.3.4.3 Failure on the part of the grievant to appeal a grievance or render a decision on any step of this procedure shall be considered as acceptance of the decision of the Employer.

13.3.4.4 All time limits within this grievance procedure may be extended by mutual agreement in writing between the parties. Grievances initiated during the duration of this Agreement shall be fully processed in accordance with the terms of this Agreement.

13.3.4.5 All hearings or conferences pursuant to this grievance procedure shall be scheduled at a time and place which will afford a reasonable opportunity for all parties entitled to attend to be present, including any and all witnesses. All grievance hearings shall be heard during the daily work day and no faculty involved in the grievance hearing as a witness or grievant shall suffer loss of salary or other benefits.

13.3.5 Jurisdiction of the Arbitrator.

13.3.5.1 The arbitrator shall decide all substantive and procedural issues related to the arbitration.

13.3.5.2 Upon request of either party, the merits of a grievance and the substantive and procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before an arbitrator, provided that the arbitrator shall resolve the question of arbitrability prior to hearing the merits of the grievance.

13.3.5.3 The provisions of Article 9 of this Agreement shall not be subject to this grievance procedure.

13.3.5.4 The arbitrator shall have no authority to alter, add to, or subtract from any of the terms and conditions of this Agreement.

13.3.5.5 The arbitrator shall have no authority to render a decision or award beyond the termination date, or renewal or extension thereof, of this Agreement.

13.3.5.6 The arbitrator shall have authority to base their decision or award on the evidence and matters presented to them by the parties in the presence of each other, the matters presented in the written briefs of the parties, and all appropriate arbitration rulings, decisions and awards previously decided upon.

13.3.6 Appeal of Arbitration. Petition by either party to a court of competent jurisdiction, on any arbitration decision or award shall be limited to the following:

13.3.6.1 The arbitrator exceeded their jurisdiction or authority under this Agreement.

13.3.6.2 The arbitrator's decision or award is based on an error of law.

Article 14 DISMISSAL FOR SUFFICIENT CAUSE OR REDUCTION IN FORCE

14.1 Dismissal for Sufficient Cause.

Dismissal of tenured faculty for sufficient cause and dismissal of probationary or annually contracted faculty for sufficient cause, during the term of their appointments, shall be governed by this article. In both cases, a Dismissal Review Committee shall be convened, as described in Article 14.4. and the affected employee may request a hearing, as described in Article 14.5. For purposes of this article, annually contracted faculty refers to positions that are non-tenurable and employed from federal or grant funds as defined by WAC 131-16-400 (this does not include temporary full-time faculty or

associate faculty). These positions may be terminated upon reduction or elimination of the funding and/or program, or for just cause and progressive discipline.

A tenured faculty member shall not be dismissed from their appointment except for sufficient cause, nor shall a faculty member who holds probationary or temporary appointment be dismissed prior to the written terms of their annual appointment except for sufficient cause. Sufficient cause shall include, but not be limited to, the following:

- 14.1.1 Aiding, abetting or participating in:
 - 14.1.1.1 Any unlawful act of violence
 - 14.1.1.2 Any unlawful act resulting in the destruction of college property
 - 14.1.1.3 Any unlawful interference with the orderly conduct of the educational process
- 14.1.2 Incompetence in the performance of professional duties
- 14.1.3 Serious neglect of duty
- 14.1.4 Physical or mental incapacity to perform duties as a professional faculty member
- 14.1.5 Insubordination
- 14.1.6 Substance abuse in the workplace
- 14.1.7 Theft or embezzlement of state property
- 14.1.8 Significant or sustained breach of employment contract.

14.2 Dismissal of Tenured or Probationary Faculty as the Result of Reduction in Force.

The Board of Trustees shall have the authority to terminate the contract of any tenured or probationary faculty due to reduction in force (RIF). The objective of the reduction in force policy and procedure is to provide an orderly method by which the number of faculty can be reduced under the circumstances defined below. At the same time the method of reduction shall result in the retention of those faculty members and faculty positions regarded by the Board as comprising the work force mix that will best accomplish the goals and objectives of Skagit Valley College.

- 14.2.1 The College President or designee reserves the right to establish the number of full-time and associate faculty to be employed. If the number of full-time contracted faculty subject to this policy is to be reduced, the College President or designee shall determine what programs, courses, or services will be reduced. In making decisions on reductions, the College President or designee may consider factors including, but not limited to:
 - 14.2.1.1 Lack of funds.

14.2.1.2 A pattern of decreased enrollment, based on review of at least six (6) consecutive quarters, evidenced by lack of students participating in particular programs or services.

14.2.1.3 Elimination and/or reduction of programs, courses, or services (see OPKM 4000.25).

14.2.1.4 A declaration by the State Board for Community and Technical Colleges of financial emergency pursuant to Laws of 1981, Chapter 13, paragraph 1, under the following conditions:

14.2.1.4.1 Reduction of allotments by the governor pursuant to RCW 43.88.110(2), or

14.2.1.4.2 Reduction by the Legislature from one biennium to the next or within a biennium of appropriated funds based on constant dollars using the implicit price deflator.

14.2.2 Nothing in this reduction in force policy shall be construed to affect the decision and right of the appointing authority not to renew a probationary faculty appointment, without cause, pursuant to RCW 28B.50.857.

14.3 Reduction in Force Unit List.

Reduction in Force (RIF) units shall be established, and each tenured and probationary faculty member shall be assigned to a maximum of two RIF units.

14.3.1 Reduction in Force Unit Lists. Reduction in force unit lists shall be developed annually. Each faculty member shall be ranked in an appropriate RIF unit in accordance with seniority procedures defined herein.

14.3.2 RIF Assignments. Assignments to RIF units shall be established and published by November 1 each academic year by the Vice President for Instruction.

14.3.3 Second RIF Unit. Each faculty member shall be assigned to the first RIF unit based on the unit in which they have been assigned to teach an average of 51% of load. This unit shall be the faculty member's first RIF unit. The College shall also provide the opportunity for each faculty member to claim rights to one additional RIF unit. Faculty may request in writing, by October 15 of each academic year, to be assigned to a second RIF unit if they meet the following criteria:

14.3.3.1 Earned Bachelor's or Master's degree or doctorate in directly related field, with at least 45 credits in the discipline area, OR

14.3.3.2 One-third time or more teaching experience in the second RIF unit over the past three years, OR

14.3.3.3 Able to be vocationally certified in the second RIF unit.

14.3.3.4 When a faculty member qualifies for and is placed in a second RIF unit, that placement will be based on seniority as described in 14.3.7

No assignment to a RIF unit will be made which is not in keeping with faculty qualifications required by regional accreditation or the Washington Administrative Code.

14.3.4 Reduction in Force Units are in Appendix E.

14.3.5 Additional RIF units may be added by the District to reflect program additions or by mutual agreement with the Federation.

14.3.6 RIF Placement Hearing. Any faculty who feels they have been incorrectly placed in a RIF unit shall have the right to a hearing before the Vice President for Instruction. Nothing in this section shall preclude the right of a faculty member to be accompanied by a representative of their choice in the hearing. Such hearing shall take place within seven (7) calendar days from the time the faculty was notified of this assignment.

Any unresolved disputes regarding RIF unit assignment shall be resolved following the process described in Article 13 - Grievance Procedure.

14.3.7 Seniority Order of Reduction. The order of reduction in force shall be based on seniority. Seniority shall be defined as continuous full-time service in any faculty position with District 4. Administrators holding tenure with SVC prior to September 1995 shall have continuous full-time service with the District count toward seniority in the event that they return to the unit. In computing an employee's seniority, any and all service, including leaves of absence up to twenty-four (24) calendar months and sabbatical leaves, shall be counted.

14.3.7.1 The faculty member with the highest number of qualifying years shall be the most senior; in case of ties, seniority shall be determined in the following descending order:

14.3.7.1.1 First date of signature of an employment contract.

14.3.7.1.2 First date of signature of letter of intent.

14.3.7.1.3 First date of application for employment.

14.3.8 Recall and the establishment of lay off units.

14.3.8.1 Full-time faculty members who have been separated from service as a result of this reduction in force procedure shall have the right to be recalled consistent with the provisions specified below.

- 14.3.8.2 Recall lists shall be created and maintained by the District for each affected RIF unit. The names of each affected faculty member shall be placed on the appropriate lay off unit list according to seniority.
- 14.3.8.3 Recall shall be in reverse order of reduction in force by lay-off-units to a faculty position, either newly created or a vacant full-time position.
- 14.3.8.4 The right of recall shall extend two years from the effective date of the lay-off.
- 14.3.8.5 Each laid-off faculty member shall keep the Human Resources Office informed of any change in address.
- 14.3.8.6 New hires shall not be employed to fill full-time faculty vacancies unless there are no qualified faculty members on the applicable lay-off-unit recall list(s) to accept the vacancies.
- 14.3.8.7 A faculty member on lay-off shall have fifteen (15) working days to respond following issuance of written notice by registered mail of an offer of recall to a full-time position. If the individual fails to respond, their recall right shall be waived.
- 14.3.8.8 Upon recall, a faculty member shall retain all benefits such as sick leave, tenure, retirement, and seniority, which existed at time of lay-off.

14.4 Dismissal Review Committee.

- 14.4.1 Definitions relating to the Dismissal Review Committee as used in this article:
 - 14.4.1.1 “Faculty” shall mean one who holds a faculty appointment.
 - 14.4.1.2 “Student representative” shall mean a full-time student chosen by the ASSVC.

The Dismissal Review Committee shall consist of one member representing the administrative staff, one student representative and three (3) faculty (tenured or annually contracted). The administrative representative shall be an administrative officer appointed by the Vice President for Instruction. The student representative shall be a full-time student chosen by the ASSVC, or its successor organization.

The members representing the faculty shall be selected by a majority of the faculty and department chairs acting in a body. For purposes of this policy, acting in a body shall mean a general faculty meeting open to all faculty members and convened for the specific purpose of electing such faculty representatives. It shall be the responsibility of the SVCFT President and the Vice President for Instruction, acting in concert, to convene such general faculty meeting as deemed necessary.

14.4.3 Dismissal Review Committee Convened. The Dismissal Review Committee shall convene when deemed necessary. The Dismissal Review Committee shall maintain official minutes of all meetings and all other pertinent materials relating to its activities. In conducting its business, the Dismissal Review Committee shall have the authority to obtain documents, records, testimony, and other materials needed and deemed necessary. The term for the Dismissal Review Committee shall be the duration of the dismissal action.

14.4.4 Dismissal Review Committee Duties. The general duty of the Dismissal Review Committee shall be to submit recommendations regarding proposed presidential action. Specific responsibilities of the committee shall be:

14.4.4.2 To attend the hearing and, at the discretion of the hearing officer, call and/or examine any witnesses.

14.4.4.3 To hear testimony from all interested parties, including but not limited to other faculty members and students and review any evidence offered by same.

14.4.4.4 To arrive at its recommendations in conference on the basis of the hearing. As soon as reasonably practicable, but in no event longer than thirty (30) working days after the conclusion of the formal hearing.

In the case of a reduction in force for reason set forth in 14.2.1.4 (fiscal emergency), arrive at its recommendations within seven (7) working days.

The written recommendations of the committee will be presented to the hearing officer, President or designee, the affected faculty member, and the Board of Trustees.

14.4.4.5 Failure of any Dismissal Review Committee to make written recommendations regarding dismissal within the prescribed time set forth in this article shall be deemed a recommendation neither for nor against dismissal and the appointing authority may proceed with the dismissal or continue the appointment of the faculty member based upon this type of recommendation from the committee.

14.5 Appointing the Hearing Officer and Hearing Procedures.

14.5.1 An affected employee who has requested a hearing shall be entitled to one formal, contested case hearing pursuant to the Administrative Procedure Act, 3 Chapter 34.05 RCW, and shall have the following procedural rights:

14.5.1.1 The right to confront and cross-examine adverse witnesses subject to Title IX and any other applicable regulations or statutes.

14.5.1.2 The right to be free from compulsion to divulge information which a person could not be compelled to divulge in a court of law.

14.5.2 Appointment of Hearing Officer.

14.5.2.1 Upon receipt of a request for a hearing from an affected employee, the President shall notify the Board of Trustees and request that the Board appoint an impartial hearing officer who shall be an attorney in good standing with the Bar of the State of Washington and who shall not be, with the exception of Administrative Law Judges, an employee of the State of Washington, or any of its political subdivisions, or be a member of the Board of Trustees of any community college in the State of Washington. Selection of a hearing officer shall be based on the following process:

14.5.2.1.1 The President (or designee) and the faculty member shall attempt to select an impartial hearing officer to hear the evidence, make recommendations to the Board of Trustees, and preside over the hearing held before the Dismissal Review Committee. If the parties are unable to agree upon selection of a hearing officer within ten (10) working days after submission of the request for a hearing, the provision in 14.5.2.1.2 will apply.

14.5.2.1.2 A panel of five (5) potential hearing officers will be considered. The parties shall then meet and strike from the list those unacceptable to the striking party. The right to strike the first name from the panel shall be determined by lot. The parties, in turn, shall strike the names until only one name remains, and that remaining person shall serve as the hearing officer.

14.5.2.1.3 In the case of a reduction in force for reasons set forth in 14.2.1.4, (fiscal emergency) at the time of a faculty member's or members' request for formal hearing, said faculty member or members may ask for participation in the choosing of the hearing officer in the manner provided in RCW 28A.405.310 said employee therein being a faculty member for the purposes hereof, and said board of directors therein being the Board of Trustees for purposes hereof: provided, that where there is more than one faculty member affected by the Board of Trustees' reduction in force, such faculty members requesting hearing must act collectively in making such request; provided further, that costs incurred for the services and expenses of such hearing officer shall be shared equally

by the community college and the faculty member or faculty members requesting hearing.

- 14.5.3 Duties of Hearing Officer. It shall be the role of the impartial hearing officer to conduct the hearing in accordance with RCW Chapter 34.05. The duties of the hearing officer include:
- 14.5.3.1 Administering oaths and affirmations, examining witnesses, and receiving evidence, and no person shall be compelled to divulge information which they could not be compelled to divulge in a court of law;
 - 14.5.3.2 Issuing subpoenas;
 - 14.5.3.3 Taking or causing depositions to be taken pursuant to rules promulgated by the institution;

 - 14.5.3.6 Disposing of procedural requests or similar matters;
 - 14.5.3.7 Making all rulings regarding the evidentiary issues presented during the course of the dismissal review committee hearings;
 - 14.5.3.8 Appointing a court reporter, who shall operate at the direction of the hearing officer and shall record all testimony, receive all documents and other evidence introduced during the course of the hearing, and record any other matters related to the hearing as directed by the hearing officer;
 - 14.5.3.9 Allowing the Dismissal Review Committee to hear testimony from all interested parties, including but not limited to faculty members and students, and review any evidence offered by same.
 - 14.5.3.10 Preparing their proposed findings of fact and conclusions of law and a recommended decision. As soon as reasonably practicable, but in no event longer than thirty (30) working days after the conclusion of the formal hearing or within ten (10) working days in the case of a reduction in force for reasons set forth in Section 14.2.1.4 (fiscal emergency), the written recommendation of the hearing officer will be presented to the President, committee, affected employee, and the Board of Trustees.

- 14.5.3.11 Being responsible for preparing and assembling a record for review by the Board of Trustees, which shall include:
 - 14.5.3.11.1 All pleadings, motions and rulings;
 - 14.5.3.11.2 All evidence received or considered;
 - 14.5.3.11.3 A statement of any matters officially noticed;
 - 14.5.3.11.4 All questions and offers of proof, objectives and rulings hereon;
 - 14.5.3.11.5 Their proposed findings, conclusions of law, and a recommended decision;
 - 14.5.3.11.6 A copy of the recommendations of the dismissal review committee.
- 14.5.3.12 Deciding, with advice from the Dismissal Review Committee, whether the hearing shall be open to the educational community, or whether particular persons should be permitted or excluded from attendance.
- 14.5.3.13 Assuring that a transcription of the hearing is made, if necessary, and that a copy of the record or any part thereof is transcribed and furnished to any party to the hearing upon request and payment of costs.
- 14.5.3.14 Consolidating individual RIF hearings into a single hearing. In the case of reduction in force for reasons set forth in 14.2.1.4 (fiscal emergency), the hearings shall be consolidated; only one such hearing for the affected faculty members shall be held and such consolidated hearing shall be concluded within the time frame set forth herein.
- 14.5.3.15 Taking any other action authorized by rules consistent with this chapter.
- 14.5.4 Declaration of Fiscal Emergency. In the case of a reduction in force for reasons set forth in 14.2.1.4 (declaration of a fiscal emergency), the formal hearing (pursuant to 34.05 RCW and conducted by the hearing officer appointed by the Board of Trustees):
 - 14.5.4.1 Shall be concluded by the hearing officer within sixty (60) calendar days after written notice of the reduction in force has been issued;

- 14.5.4.2 The only issue to be determined shall be whether under the applicable policies, rules or bargaining agreement, the particular faculty member or members advised of severance are the proper ones to be terminated;
- 14.5.4.3 Any findings, conclusions of law and recommended decisions shall not be subject to further Dismissal Review Committee action.
- 14.5.5 Final Decision by the Board of Trustees. The case shall be reviewed by the Board of Trustees as follows:
 - 14.5.5.1 Board review shall be based on the record of the hearing and on any record made before the Board of Trustees.
 - 14.5.5.2 The Board may permit an opportunity for oral or written argument or both by the parties or their representatives.
 - 14.5.5.3 The Board may hold such other proceedings as it deems advisable.
 - 14.5.5.4 The final decision to dismiss or not to dismiss shall rest, with respect to both the facts and the decision, with the Board of Trustees after giving reasonable consideration to the recommendations of the Dismissal Review Committee and the hearing officer. The Dismissal Review Committee's recommendations and the findings, conclusions and recommended decision of the hearing officer shall be advisory only and in no respect binding in fact or law upon the decision maker, the Board of Trustees. The Board of Trustees shall within a reasonable time following the conclusion of its review, notify the faculty member in writing of its final decision, and the effective date of dismissal. The Board of Trustees will provide an update on the status of the determination, if more than thirty (30) calendar days have elapsed.
- 14.5.6 Effective Date of Dismissal. The effective date of a dismissal for sufficient/adequate cause shall be such date subsequent to notification of the Board's final written decision as determined at the discretion of the Board of Trustees (e.g., immediately, end of any academic quarter, expiration of the individual employment contract, etc.). In the case of a reduction in force for reasons set forth in 14.2.1.4, failure to request a hearing shall cause separation from service on the effective date stated in the notice, regardless of the duration of any individual employment contract. In the case of a reduction in force for reasons set forth in 14.2.1.4, a separation from service after formal hearing shall become effective upon final action by the Board of Trustees.

- 14.5.7 Suspension. Suspension by the President during the administrative proceedings (prior to the final decision of the Board of Trustees) is justified if immediate harm to the affected employee or others is threatened by their continuance. Any such suspension shall be with pay.
- 14.5.8 Publicity. Except for such simple announcements as may be required covering the time of the hearing and similar matters, no public statements about the case shall be made by the faculty member, the dismissal review committee, the Federation and its representatives or agents, administrative officers, or the Board of Trustees until all administrative proceedings and appeals have been completed. This applies to all dismissal hearings regardless of whether they are held in open or closed session.
- 14.5.9 Appeal from Board of Trustees Decisions. Pursuant to 34.05 RCW as now existing or hereafter amended, any party shall have the right to appeal the final decision of the Board of Trustees within thirty (30) working days after service of the final decision. Nothing in this article shall restrict the right of a faculty member to appeal the decision of the Board of Trustees to Superior Court according to the Administrative Procedures Act. The filing of an appeal shall not stay enforcement of the decision of the Board.

14.6 Dismissal for Sufficient Cause Procedures.

When reason arises to question the fitness of a tenured, annually contracted or probationary faculty member it shall be the policy to attempt to resolve the matter in informal discussion with the employee without instituting the dismissal procedure.

- 14.6.1 Notice of Intent to Dismiss. Prior to implementing action for dismissal of a faculty member for sufficient cause, the supervising Dean/Vice President shall schedule a meeting with the faculty member to inform them of the proposed action, including an explanation of the specific grounds for dismissal.

The decision of the faculty member not to request a hearing shall be communicated to the Dismissal Review Committee and Board of Trustees. Furthermore, a timely written request for a hearing within the ten-day period is deemed jurisdictional.
- 14.6.5 Dismissal hearings shall be conducted in accordance with the process as detailed in Section 14.5. and Appendix I and Appendix J.

The notice shall include the reasons upon which the College President or designee has based their conclusion. Within seven (7) working days of this notice, the College President or designee will meet and consult with a three member faculty committee selected by SVCFT. The meeting shall include exchange of information concerning the potential need for the RIF and any alternatives or options which either party suggests as reasonably available.
- 14.7.2 RIF Notice of Intent to Dismiss Preliminary Procedure. When either the Board of Trustees (pursuant to 14.1.1 or the College President or designee pursuant to 14.2.1.1- 14.2.1.4 determines that a RIF is necessary the College President or designee shall select the position(s) to be reduced. The College President or designee shall meet with the affected employee and discuss the proposed termination/dismissal with the individual employee in personal conference. The matter may be resolved at this step by the use of alternatives such as retraining, reassignment, leave of absence, retirement, resignation, etc.
- 14.7.3 Determination to Implement Dismissal Process/Formal Procedure. Prior to implementing formal action for dismissal of a tenured faculty member due to RIF, the faculty member shall receive written notice from the College President or designee informing them of the proposed action, including an explanation of the evidence supporting the action. The faculty member will also be informed that they have ten (10) working days to respond, in writing, to present reasons why the proposed dismissal should not occur. At the same time, a copy of the notice shall be provided to the Federation to apprise them of the pending dismissal action.
- Following the expiration of ten (10) working days, the President or designee shall make a determination of whether to implement the dismissal process. If the College President or designee decides not to implement the dismissal process, they shall so notify the faculty member in writing, with copies to the Federation.
- 14.7.4 Dismissal Implementation Written Notice. If the President or designee decides to proceed with implementation of the dismissal process, the President or designee shall specify the grounds constituting sufficient cause for dismissal, serve written notice of the cause(s) to the affected faculty member and provide copies to a Dismissal Review Committee (see Section 14.4) and the Federation. In the case of reduction in force set forth in 14.2.1 this shall clearly indicate that separation is not due to job performance and hence is without prejudice to the faculty member and, in addition, shall indicate the basis for reduction in force as the reason(s) set forth in Article 14.3. The notice must include the effective date of separation of service.

14.7.5 Determination to Implement Dismissal Process The affected faculty member shall have ten (10) working days from the date of the notice of dismissal to make a written request for a hearing. The decision of the faculty member not to request a hearing shall be communicated to the Dismissal Review Committee and Board of Trustees. APPENDIX B: FACULTY EARLY RETIREMENT PROGRAM

- I. Retirement Program. This retirement program is established for the express purpose of encouraging the retirement of tenured academic employees at a time earlier than the employee may otherwise retire where such early retirement will be of bona fide mutual benefit, economic or otherwise, to the College and the academic employee.
 - A. Definitions. For purposes of this Appendix, the following terms shall have the following meaning:
 - (1) "College" shall mean Skagit Valley College.
 - (2) "Employee" shall mean an academic employee of the College who holds a faculty appointment as defined in RCW 28B.50.851 and has been granted tenure by act of the Board of Trustees or by virtue of RCW 28B.50.868.
 - (3) "Full-time assignment" shall mean the workload for a tenured academic employee established by any negotiated agreement entered into pursuant to RCW 28B.52 or by any policy or regulation lawfully adopted by the Board of Trustees.
 - (4) "Board of Trustees" shall mean the lawfully appointed governing body and appointing authority of Washington State Community College District No. 4.
 - (5) "Retirement System" shall mean the retirement system in which an employee participates, including:
 - a. "TRS," the Teachers' Retirement System established by RCW 41.32.
 - b. "TIAA," the Teachers' Insurance Annuity Association, established by RCW 28B.10.400 and WAC 131-16.
 - c. "PERS," the Public Employees Retirement System established by RCW 41.40,
 - (6) "Annual Salary Placement" shall mean the salary placement of an employee during the final year of tenured employment with the College, as determined by the salary schedule applicable during such final year of tenured employment and shall be fixed regardless of subsequent changes in the salary schedule.

- (7) "Fiscal Year" shall mean a period of July 1 to June 30 of the following calendar year.
- (8) "Academic Year" shall mean the period from September to June of the following calendar year, including fall, winter, and spring quarters.
- (9) "Effective Date of Retirement" shall mean the first (1st) day of the month following an employee's last contracted day of work as a tenured faculty member.

B. Early Retirement Eligibility. Tenured academic employees may be eligible to apply for one of the three retirement options established by this Appendix:

- (1) Where any employee application is approved by the College, the agreement shall be reduced to writing. All terms shall be stated in such writing and shall be executed by the employee and the College President, or designee.

C. Early Retirement Options. These options are exclusive and only one option shall be granted to an employee. Provided, however, variations from these options may be made upon mutual agreement between the individual academic employee and the District.

- (1) Tenure Purchase Retirement Option provides for the purchase of valuable tenure rights of employees in exchange for the employee's separation from service at a time earlier than that required by law. Where an employee's application for this option is approved, they shall retire and waive any and all tenure rights and shall receive payment in exchange for such retirement and waiver of tenure rights. Such payment shall be paid on the effective date of the employee's retirement or a later day mutually agreed upon by the College and the employee. Such payment shall be made according to the following schedule:

Effective Date of Retirement	Total Payment	Maximum Payment Per Year
Before 64	1.5 times Annual Salary Placement (ASP)	0.5 times ASP
Age 64	1 times ASP	0.5 times ASP
Age 65 and beyond	.5 times ASP	0.5 times ASP

- a) Payments will begin no earlier than the fiscal year following retirement and may be spread over the period of years between the effective date of retirement and age 70.
 - b) Upon the death of an employee participating in this option, the employee's estate shall be entitled to receive death benefits based upon the same schedule as the one to have been received by the deceased participant.
 - c) Payments under this option shall not be eligible for retirement contributions and will have no effect on the calculation of retirement benefits.
- (2) Phased Retirement Option. Phased Retirement may be an option for faculty that are

actively participating in the State Board Retirement Plan. The Phased Retirement Program allows qualified State Board Retirement Plan (SBRP) participants to receive a retirement benefit while continuing to work in a reduced capacity. The participant gradually transitions into retirement over a specified period of time.

Eligibility for the phased retirement program is limited to SBRP participant's age 59.5 years of age with 10 years of service in the SBRP who terminate from full-time positions, giving up rights to continuous employment or tenure, and want to return to work within 6 months of their termination.

Participation is voluntary, occurring through mutual agreement between the employer and the employee. "Phased retirees" remain active employees and are eligible for any benefit their percentage of workload may qualify them for, including participating in the SBRP.

When a phased retirement agreement is approved, the College and the employee will enter into an agreement in which the employee makes an intentional, intelligent, and voluntary waiver of any and all tenure rights and the College agrees to employ the employee on a part-time basis for a specified period of time. The payment for part-time employment covered under the agreement will be pro-rata of the annual salary placement. At the end of agreement, the member will be retired from the College

Part-time employment outlined in the written agreement shall not displace other tenured employees, and tenured employees shall be given full-time assignments prior to providing part-time assignments called for by a written agreement. Part-time employment called outlined by the written agreement shall be provided prior to the College contracting with part-time employees, unless program requirements or other educational reasons justify such appointments.

Should part-time employment called for by the written not be available, the College shall not employ the employee for the unneeded services. The College may extend or modify the agreement.

(3) Accelerated Work Option. The accelerated work option provides for an increase in the assignment of an employee during the last year(s) of employment with the College, in return for the planned and anticipated early retirement and relinquishment of tenure rights by the employee. Where an employee's application for this option is granted, the employee and the College will agree to an assignment over and above a full-time assignment for one or two years, in exchange for the employee's agreement to retire and relinquish their tenure rights at the end of that period.

- a) All work that exceeds a full-time annual assignment shall be stated in the written agreement and shall be bona fide.
- b) The payment for the additional assignment covered under the agreement will be pro-rata of Step 1 of the salary schedule.
- c) Additional assignment under this option will normally not exceed the equivalent of

one-half (1/2) load per academic year.

D. General Provisions: The following general provisions apply to the three options outlined above:

- a) An employee working pursuant to a written agreement made in accordance with one of the three available options shall not be dismissed except for sufficient cause, as provided by the Negotiated Agreement.
- b) The decision by the College to grant or deny an early retirement option shall not be subject to the grievance procedure contained in any negotiated agreement entered into pursuant to RCW 28.52 or any subsequent legislation. Implementation of individual agreements shall be subject to the grievance procedure.
- c) Approval of an employee's application is at the sole discretion of the College and no employee shall have a contractual right, or any other right, to participation in any option.
- d) Each and every written agreement entered into by an employee and the College, shall by its terms incorporate by reference all terms of this program as set out herein.
